VICTORY SONG

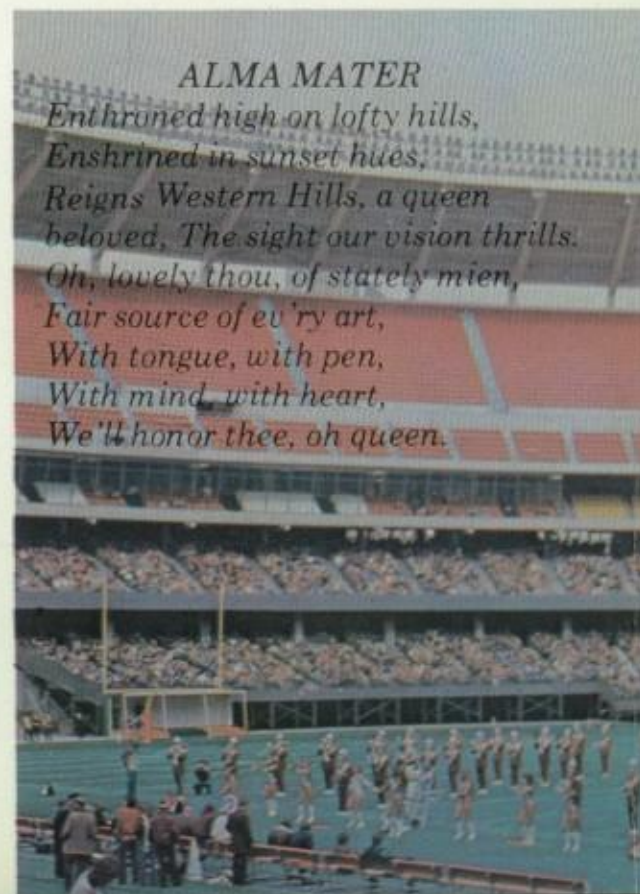

*Oh we must fight, and win this game,
For our Western's dear old name,
And we will cheer our fighting team,
Come on Maroon and Cream—hold that line.*

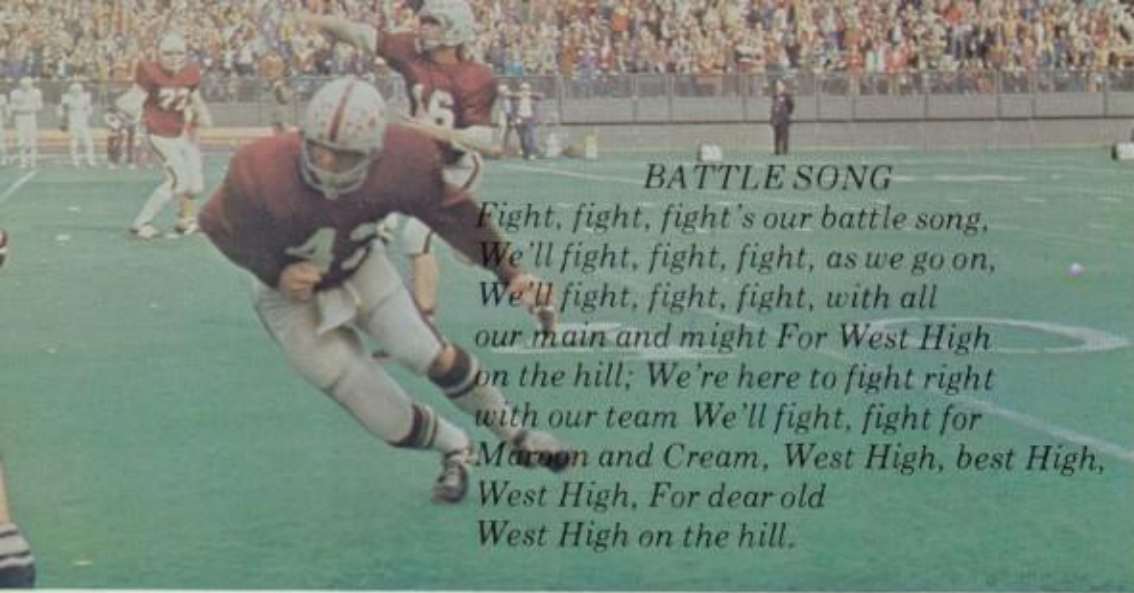

*Now we will sing our challenge high
Until our banners touch the sky,
And oh we'll score and score 'till we can score no more
To the tune of our victory cry.*

ALMA MATER

*Enthroned high on lofty hills,
Enshrined in sunset hues,
Reigns Western Hills, a queen
beloved, The sight our vision thrills.
Oh, lovely thou, of stately mien,
Fair source of ev'ry art,
With tongue, with pen,
With mind, with heart,
We'll honor thee, oh queen.*

BATTLE SONG

*Fight, fight, fight's our battle song,
We'll fight, fight, fight, as we go on,
We'll fight, fight, fight, with all
our main and might For West High
on the hill; We're here to fight right
with our team We'll fight, fight for
Maroon and Cream, West High, best High,
West High, For dear old
West High on the hill.*

THIS IS MY SCHOOL

*This Is My School I sing her glory to the sky,
I shout her praises loud and high, This Is My School.
This Is My School she stands for light,
she stands for truth, A shining symbol to our youth,
This Is My School. May thy children bring thee fame
and never disgrace thy name. May God bless
and keep thee strong and harbor thee no wrong.
This Is My School in her my hopes and fears
are born, On her may years of peace adorn,
This Is My School. Ah, West High!*

*For thru our work thy fame will spread, Thy name
established be; To waiting hands we throw the torch
'Tis theirs high paths to tread; And when on
troubled seas of life Our barge by storm is tossed,
Thy wisdom, still, a beacon light,
Will guide us safe thru strife.*

*Fair Western Hills, dear Western Hills, Long may
thy pow'r be strong O'er homes, o'er hearts, o'er
minds, o'er souls For light, for truth, 'gainst
wrong. Fair Western Hills, dear Western Hills,
I make this pledge to thee, With all my might
to strive for light, That truth may make men free.*

Listen to the Music

"Enthroned high on lofty hills, Enshrined in sunset hues, Reigns Western Hills, a queen beloved, The sight our vision thrills." Sound familiar? This is just one of the many songs of the Maroon and Cream. All the songs of West High exemplify the spirit and tradition upon which the school was founded nearly fifty years ago.

No other words can better describe what West High stands for: "She stands for light, she stands for truth, A shining symbol to our youth."

No other music can better express the feelings and accomplishments of the students: "I sing her glory to the sky, I shout her praises loud and high . . . in her my hopes and fears are born, On her may years of peace adorn, This Is My School."

No other cheers could better boost our teams to victory: "We'll fight, fight for Maroon and Cream . . . And oh we'll score and score 'till we can score no more To the tune of our vict'ry cry."

So why not "listen to the music" and discover why we say "West High, best High, West High."

'Fight, fight, fight's our battle song'

1973 was a year to remember for sports fans at West High. Continuing the winning ways of the PHSL Track and Golf title teams of last spring, the Football and Cross-country teams opened the 1973-74 sports calendar with two more league titles. The Mustangs captured the first grid title since 1964 by tying Woodward and finishing at 7-3, the best record for a West High team since 1958. The Harriers ran off with their third trophy in four years by outdistancing second place Aiken. Both the swimming and wrestling squads were heavily favored to win the league again although the basketball program floundered with an all new coaching staff.

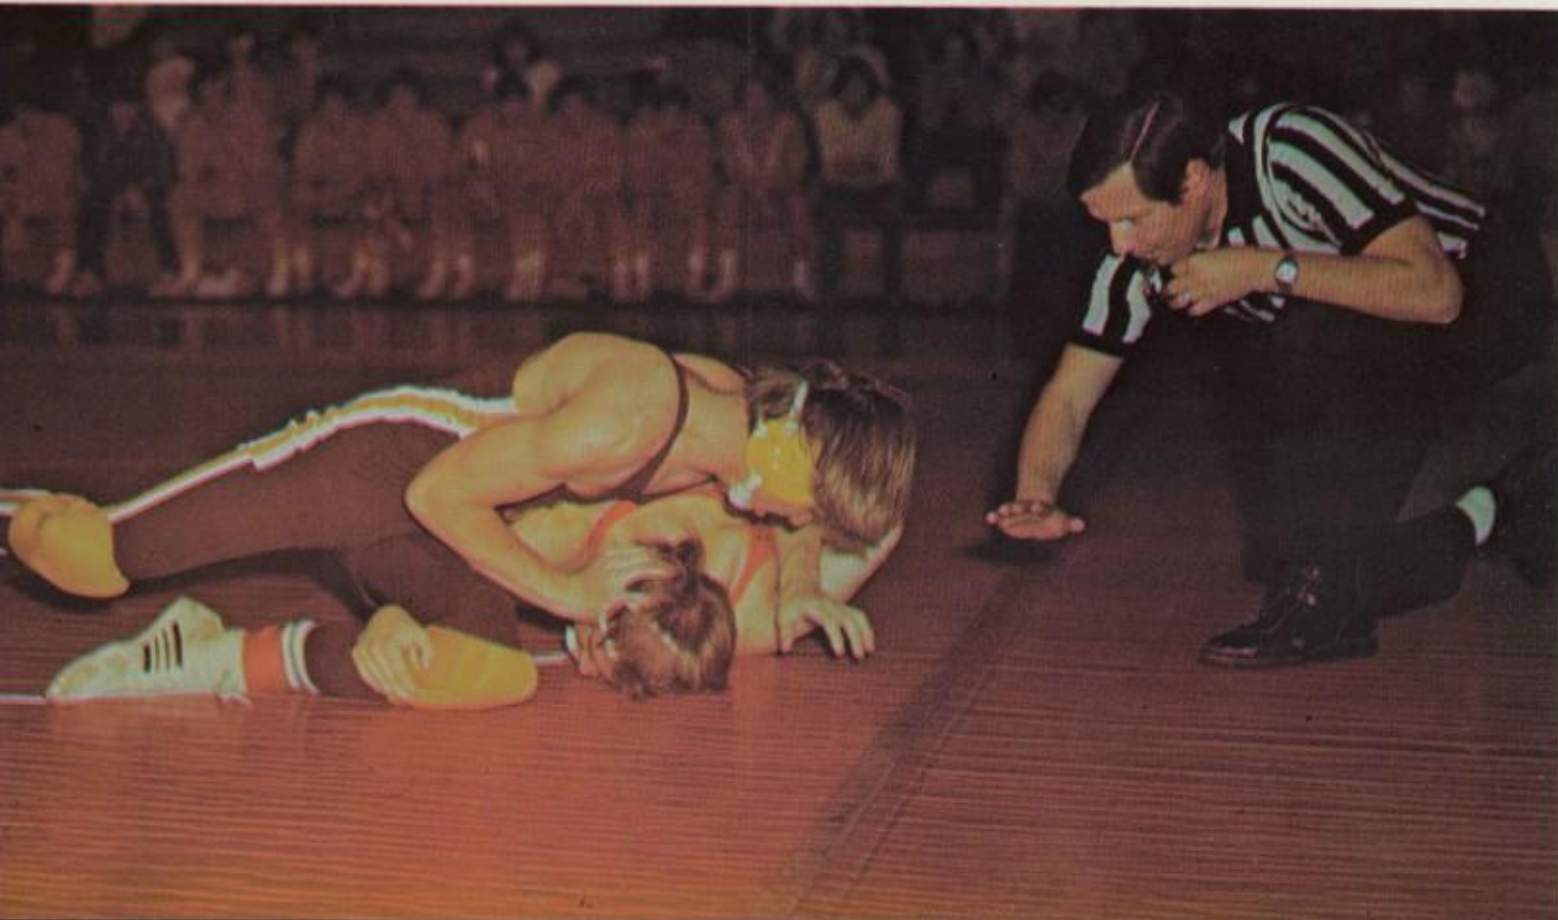

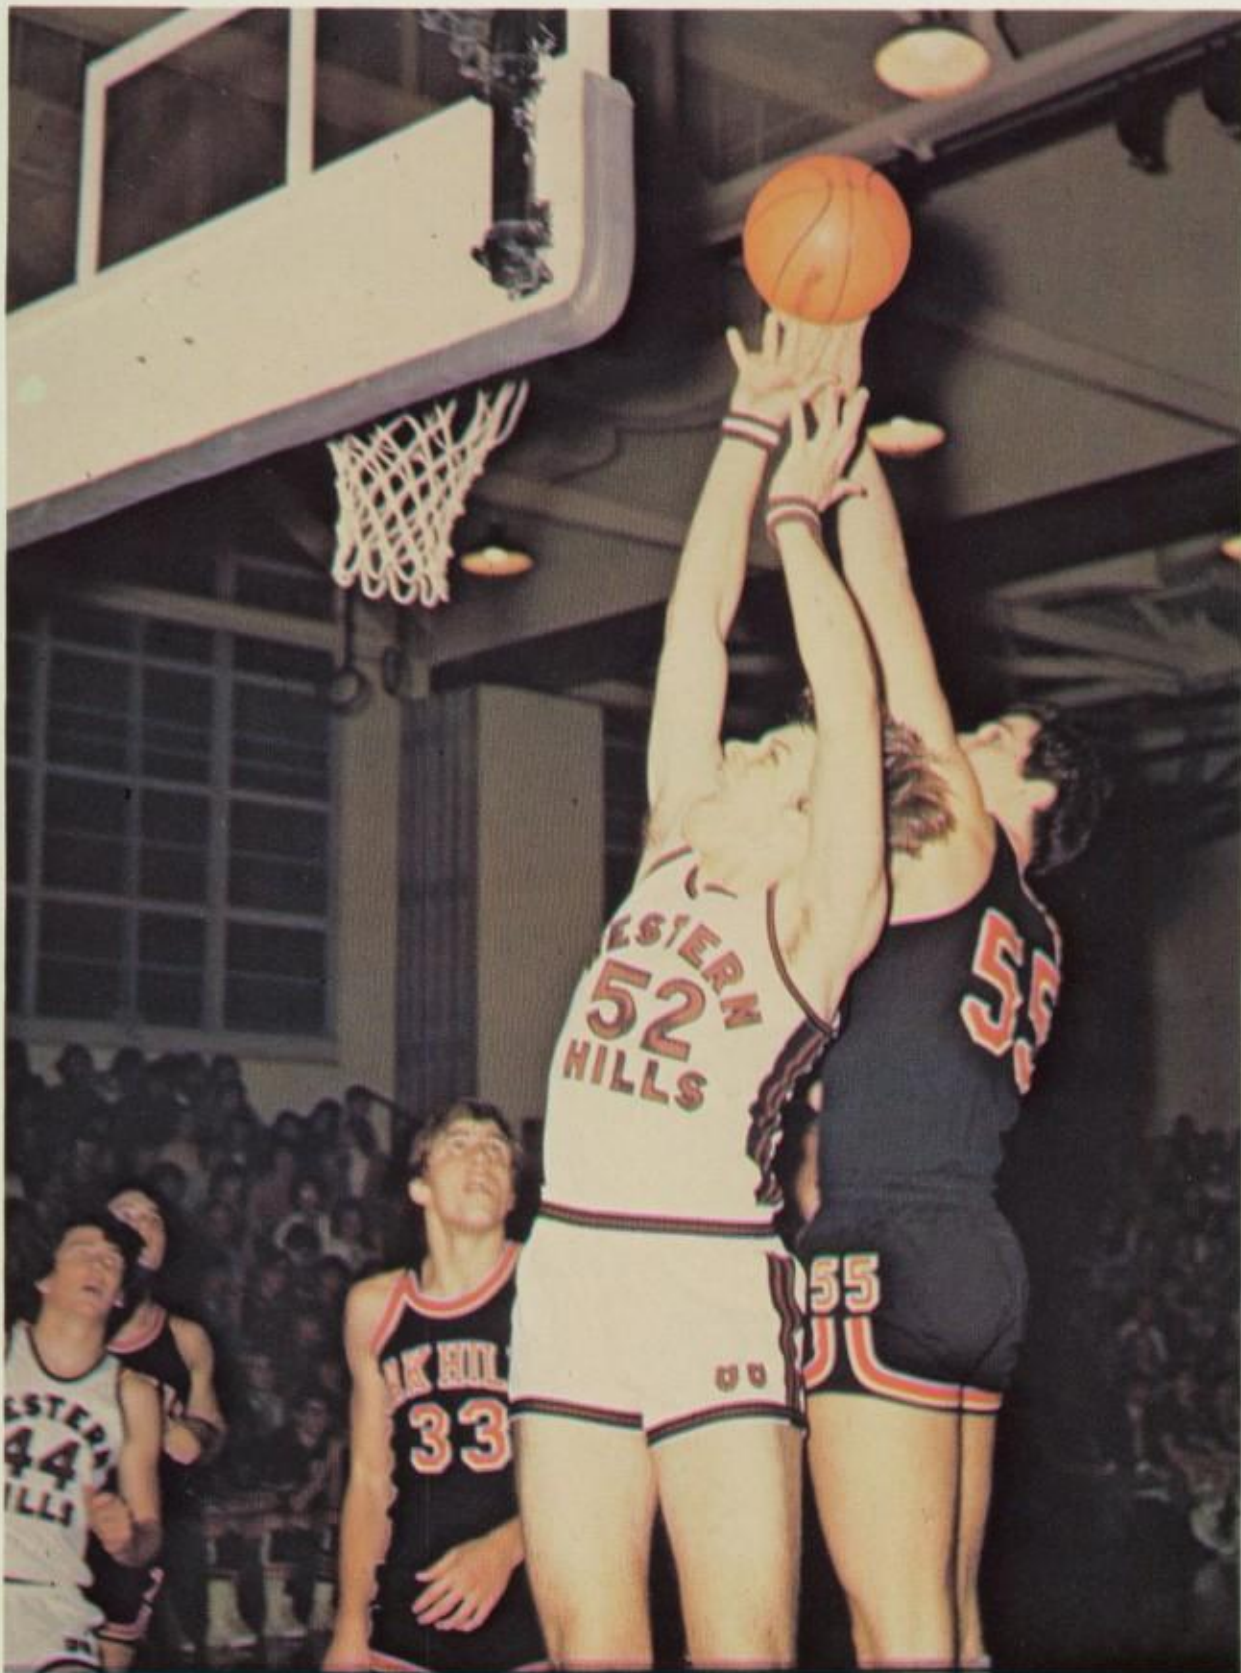

The spring season erupted with more excitement, as the Baseball, Track, Tennis and Golf teams were all in the race for league titles. The Enky

Award, a trophy given to the best all-around PHSL school is becoming a tradition at West High. Another dimension was added to sports this year. The Ohio High School Athletic Association passed a rule that, for the first time, girls were allowed to compete in non-contact boys' sports. Swimming and Tennis were the sports most affected by this new rule.

GAA had a successful year with over 150 members. Girls participated in team sports such as field hockey, volleyball, basketball, and softball. Individual sports included tennis, swimming, bowling, gymnastics, golf, and archery.

Both boys' and girls' athletics were supported by the student body. The sports participants met the challenge to "the tune of our vict'ry cry."

'Thru our work thy fame will spread, Thy name established be'

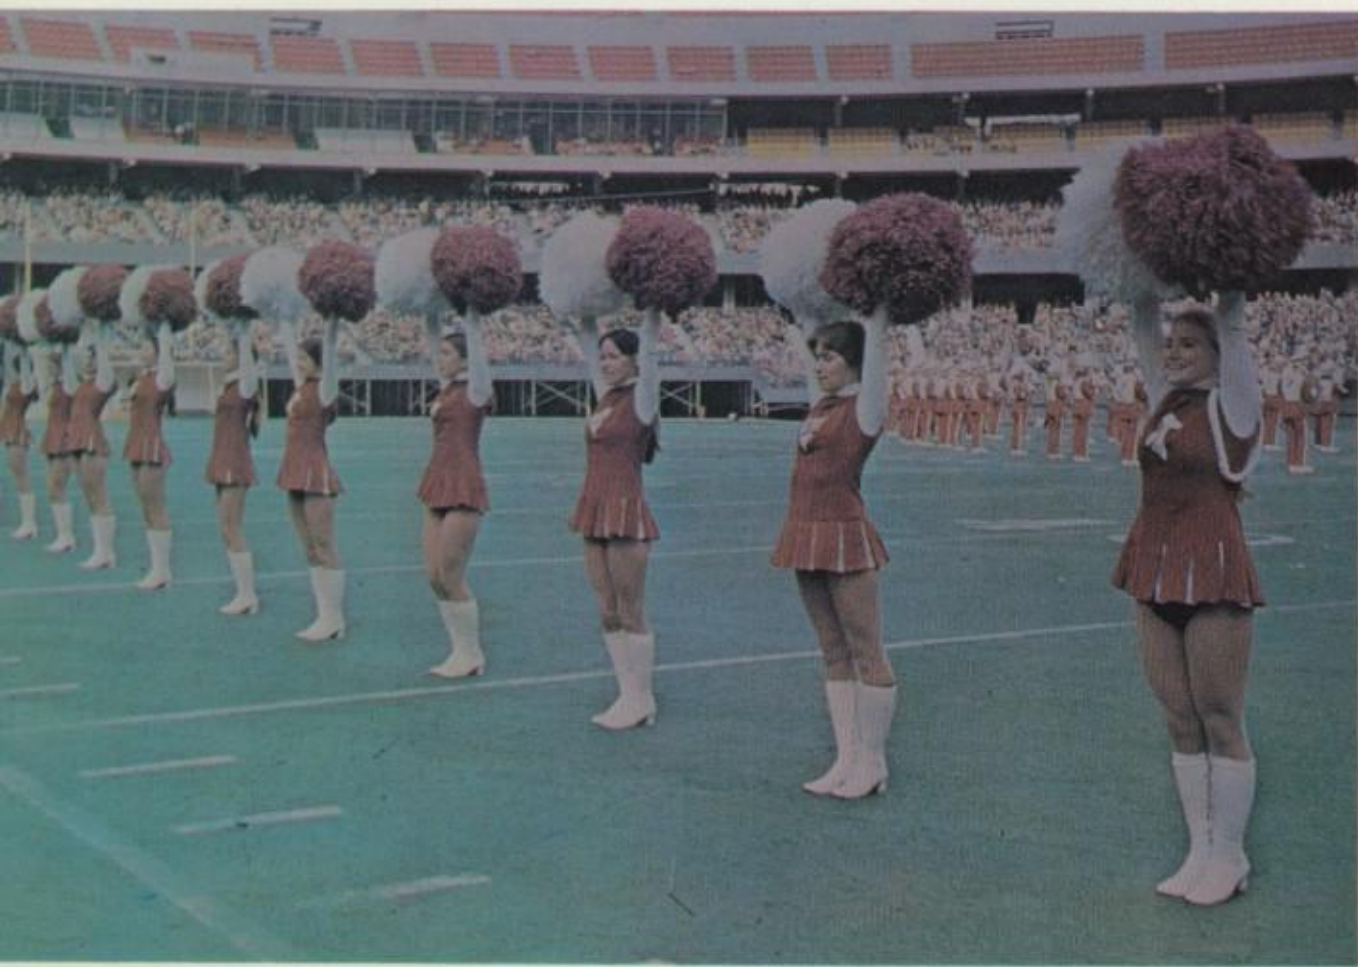

Although many hurried home at the sound of the 3:00 bell, students could always be found throughout West High planning activities, practicing for dramatic productions or performing some helpful service.

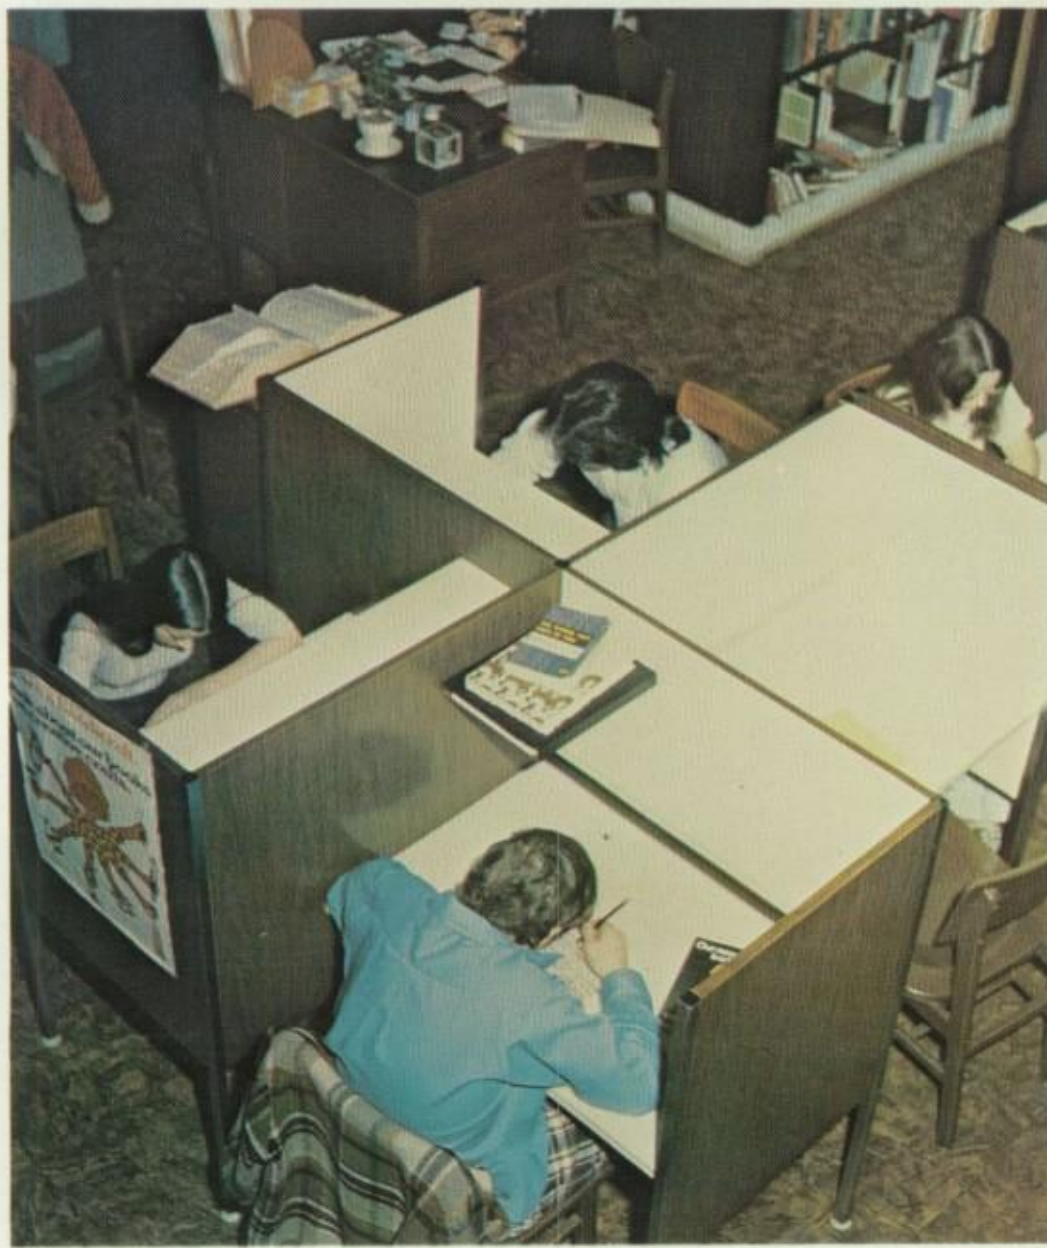

Among other projects, Student Council held a slave auction and helped needy families at Thanksgiving and Christmas. The Drill Team practiced several nights a week to perfect routines presented during halftime at football and basketball games. The

comedy "UTBU" was presented in the fall and "No No Nanette" was chosen as the spring musical. Once again, the band, orchestra, and choirs presented a Christmas assembly for the student body. Language clubs, active throughout the year, planned such events as a summer trip to Spain.

All clubs were represented by their presidents at the monthly Council of Presidents meeting. Through their dedication, club members made West High "a shining symbol to our youth."

'Thy wisdom, still a beacon light'

The academic year was filled with many innovations and courses. For the first time, students received schedules twice during the school year. Students were also given the option of graduating early. Over 275 students were expected to graduate by the end of the third quarter.

This year students were allowed more freedom in choosing their courses. A new course, Studies in Urban Problems, brought the student out of the classroom and into the city to study first-hand the problems of society. With many other new courses offered, West High proved to be a "fair source of ev'ry art."

With the new scheduling, students received new teachers and class times for the second half of the year. This scheduling not only affected students taking two quarter classes, but also many of those in four quarter classes. Even Advanced Placement classes were rearranged by this reoptioning process.

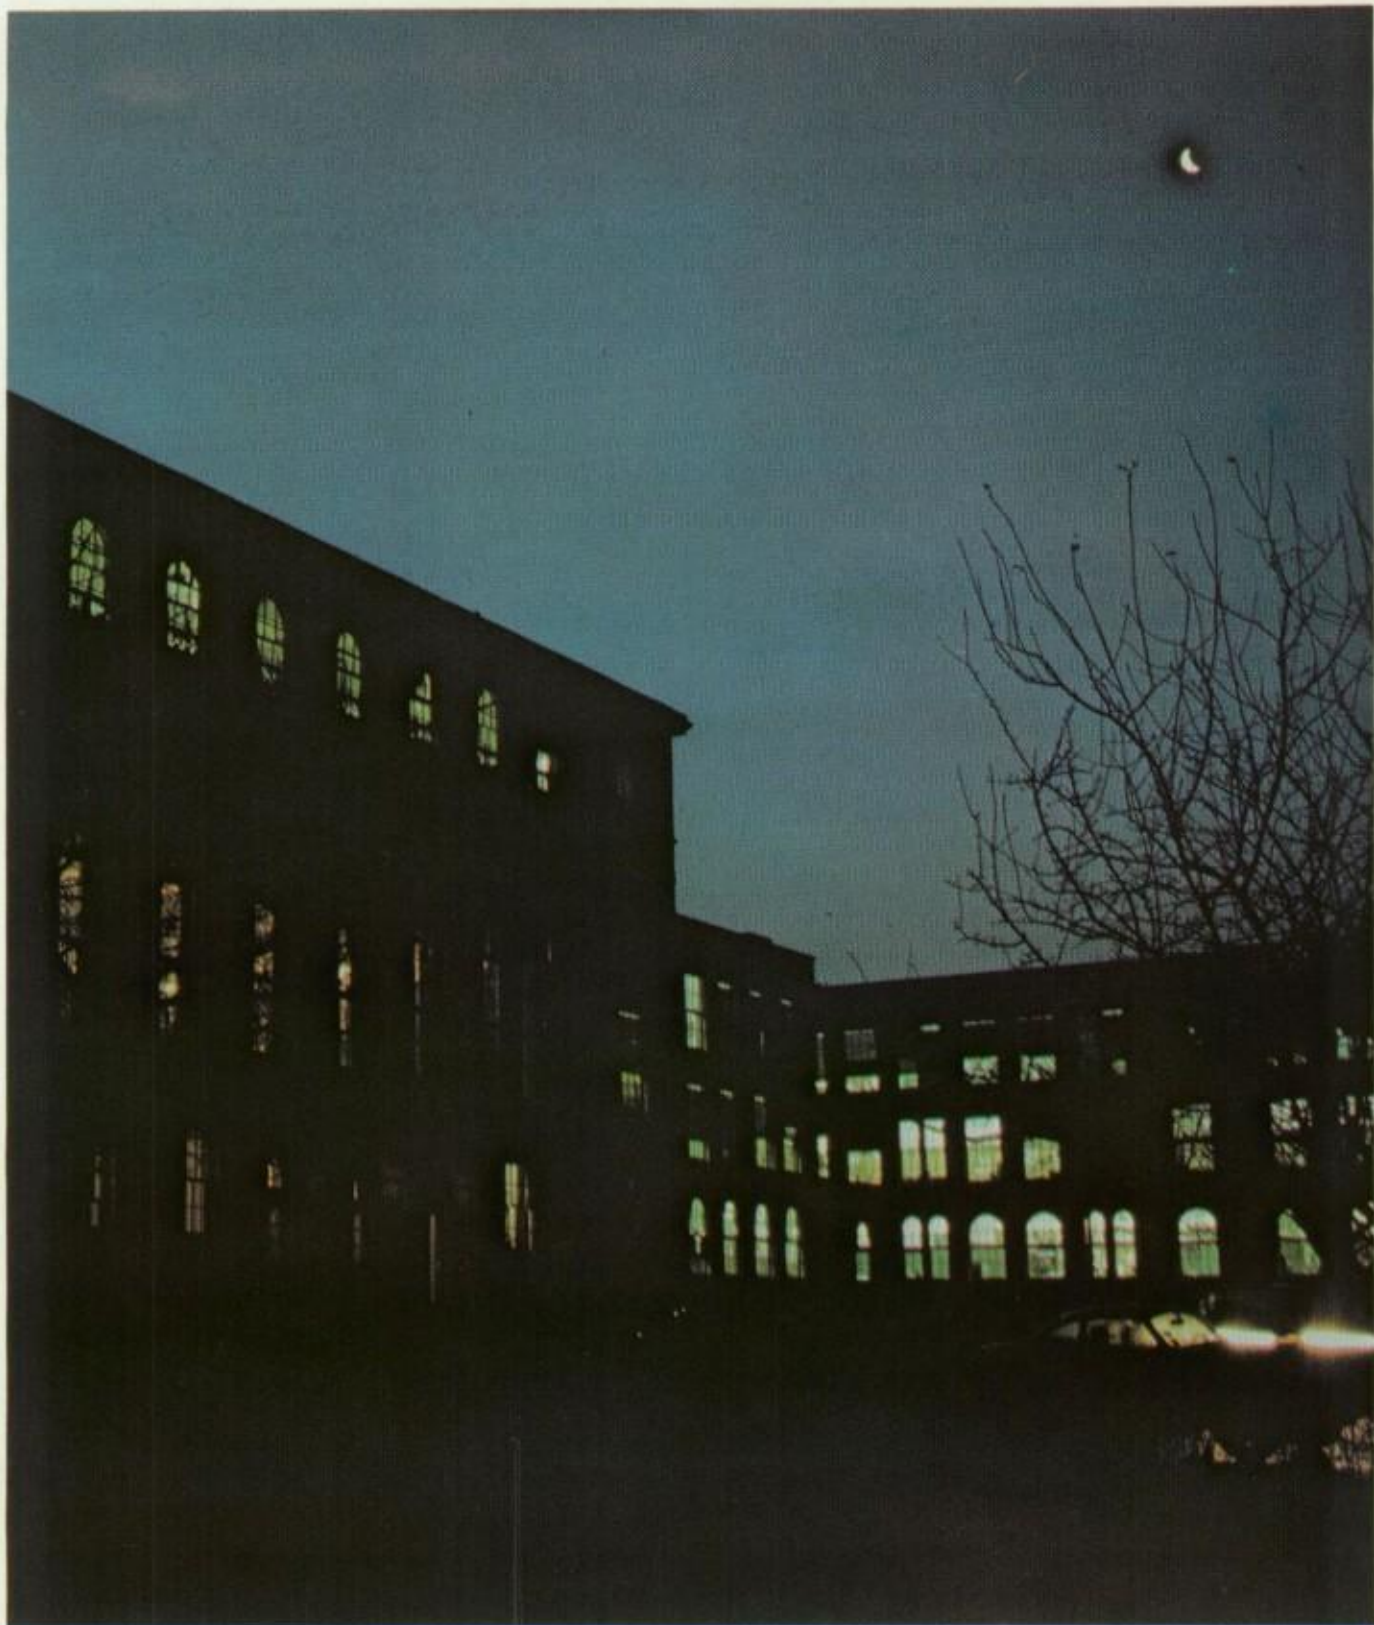

'This is my school- ah, West High!'

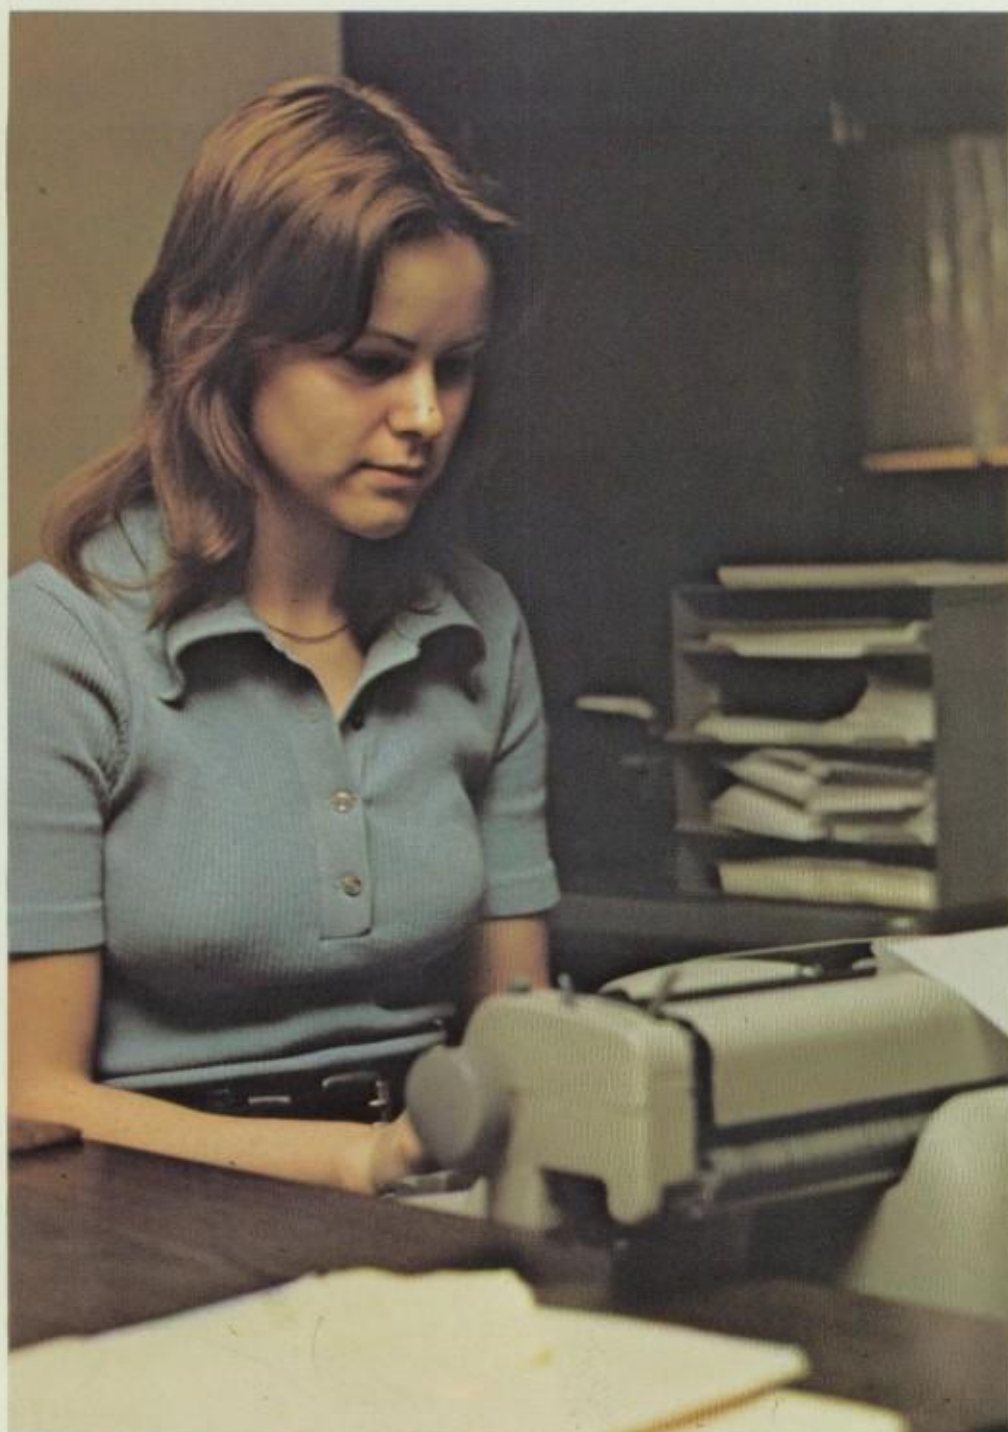

Crowded halls, new curriculum, and a predominance of spirit were all a part of life for the West High student. Spirit was displayed at the Pow-Wow and Homecoming festivities. All athletic events were well attended by the student body. Sounds of "West High, best High, West High," helped boost the morale of the teams.

Because of the overcrowded conditions at Elder's stadium, West High and Elder became the first two high schools to play football at Riverfront Stadium. An unexpected crowd of over 24,000 fans turned out for the traditional Turkey Day rivalry.

Students were not only involved in school related activities but also had outside interests. A West High student could be found doing volunteer work in a hospital, working as a cashier at a local grocery store, or performing in a theatrical show at Kings Island.

Although uncomfortable conditions prevailed in the lunchroom, halls, and classrooms, students were proud to say "This Is My School."

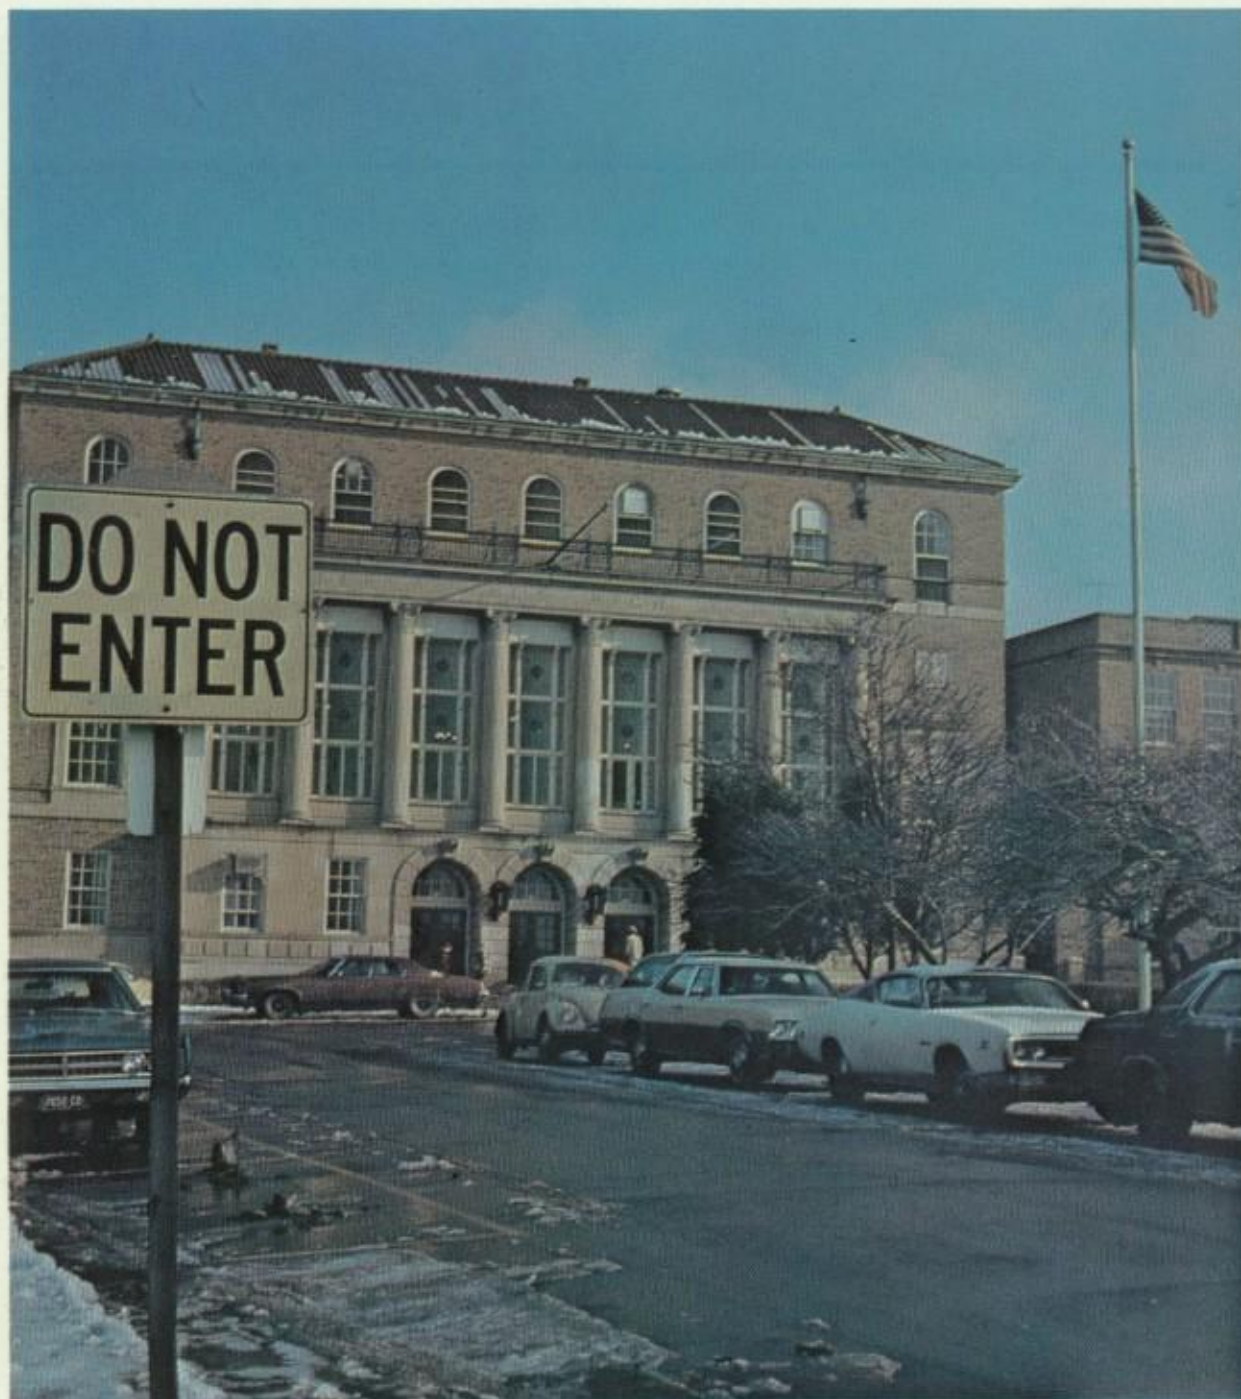

'We will sing our challenge high'

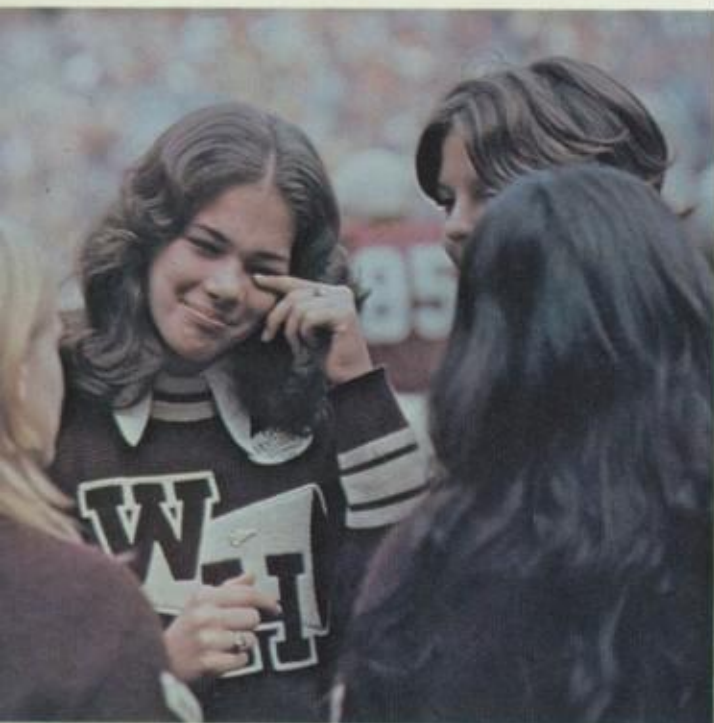

West High sang to many new tunes during the course of the year. Open Campus for seniors was brought about in October for the first time, and it was proven successful. It not only relieved some of the overcrowdedness in the lunchroom, but also gave the seniors a special privilege that both sophomores and juniors could look forward to having.

The Vocational Annex opened in late January, but its only occupants were the classes of traveling teachers and the secretarial blocks. The annex will operate fully in September with students from both West High and neighboring high schools attending.

The Energy Crisis also had its effect on West High. After Daylight Savings Time was put into effect in January, students had to come to school in darkness for several months. Eighteen year olds at West High became legalized adults when the Age of Majority law took effect January 1. This law gave students many new privileges but also gave them new responsibilities.

Mustangs tie for PHSL grid title

"The season was definitely a success — the team met the goals that they had set," commented Coach Ralph Griesser about the 1973 Varsity Football Team. In the spring of last year, both the team and the coaches set two goals for the 1973 season. The first was to win the PHSL, and then to better the record of the previous year, which was 6-3-1.

The Mustangs accomplished both by tying Woodward for the league crown, and then finishing the season with a 7-3 win-loss record. It was the first time since 1964 that the Mustangs had won or at least shared the league title, and their record was the finest for a West High team since 1958.

"The highlights of the season had to be beating Oak Hills and playing at Riverfront," said Griesser. "It was a great experience for the boys that played down in the stadium, and even though we lost, it was the closest a West High team had come to beating Elder in a good many years."

The grid men finished league play with a 5-0 record, identical with Woodward. The two teams never met, but Griesser said, "I think we were as good as they were, and if we had played them, we would have won." Named to the PHSL first team were Mike Staubitz, John Scheidt, Dan Boyle and Art Nare. Boyle and Scheidt made the all-city first team.

Colts tie Aiken for league crown

The 1973 Reserve Football Team, under first year Coach Virg Scardina, captured a share of the mythical PHSL reserve title by tying Aiken and thus compiling a 3-0-1 league mark, and a 3-4-1 record overall.

The Colts opened the season on a losing note, falling to Oak Hills, 16-12, and then getting trounced by Elder, 36-6. But the long hours of practice and training finally paid off, as the grid men won the next three games in a row. They defeated Withrow, Walnut Hills, and Taft and stood 3-0 in the league. The final PHSL game was played against Aiken, also undefeated. The teams battled to a 6-6 tie and thus both squads wound up undefeated with one tie.

"The most important game was against Walnut Hills," said Scardina. "They were bigger and more organized. The victory was decisive in winning the championship."

Willie Marshall, Pete Piepenbring, Dan Bagot, and John Peters were singled out by Scardina as showing the most promise. He also stated, "Our team was stronger on defense because defense is easier to coach. Without a junior high program, most of the boys had little experience, and this showed in the offense."

Mustangs 'run off' with league championship

"We worked as a team, we dedicated ourselves to a goal we all wanted, we ran as a team, and we won," stated Coach Louis Dahmann about the 1973 Varsity Cross-Country Team. The Mustangs captured the PHSL championship for the third time in four years and built up a victory list that numbered 44 teams.

The harriers outdistanced second-place Aiken 40-46 in the league meet. Pete Strimple, Dave Erhold, and Dave Thomas placed fourth, fifth, and sixth with Mark Klette and Jerry Mussman close behind finishing eleventh and fourteenth. "That Wednesday at Mt. Airy we put it all together," said Dahmann.

Strimple, a junior, led the team on the season with a 10:14 best-clocking over two miles. "Erhold and Thomas showed improvement throughout the year," added Dahmann. Klette was the best sophomore with a best time of 10:37.

Strimple and Erhold, co-captains, qualified for the District meet in Dayton where they finished sixty-second and sixty-third. At the end of the season, the squad was ranked ninth in the area cross-country polls.

Erhold, Thomas, Jim Tatgenhorst and Greg Louie are all graduating this year, but Dahmann commented, "Despite losing these four fine seniors, we have a strong foundation established this year. The team should be a top contender next year."

Mermen building league dynasty

A fifth straight PHSL championship climaxed another successful year for Coach Bob Jacobson as his 1973-74 Swimming Team dominated league swimming and placed fourth in the "always tough" Cincinnati Sectional.

"The real highlight of our season was beating Anderson," stated Jacobson. "We had lost three times in a row but we came back and beat them. I'm very proud of the way these people have handled the amount of work that has been done, both in the pre-season physical fitness program and during the regular season."

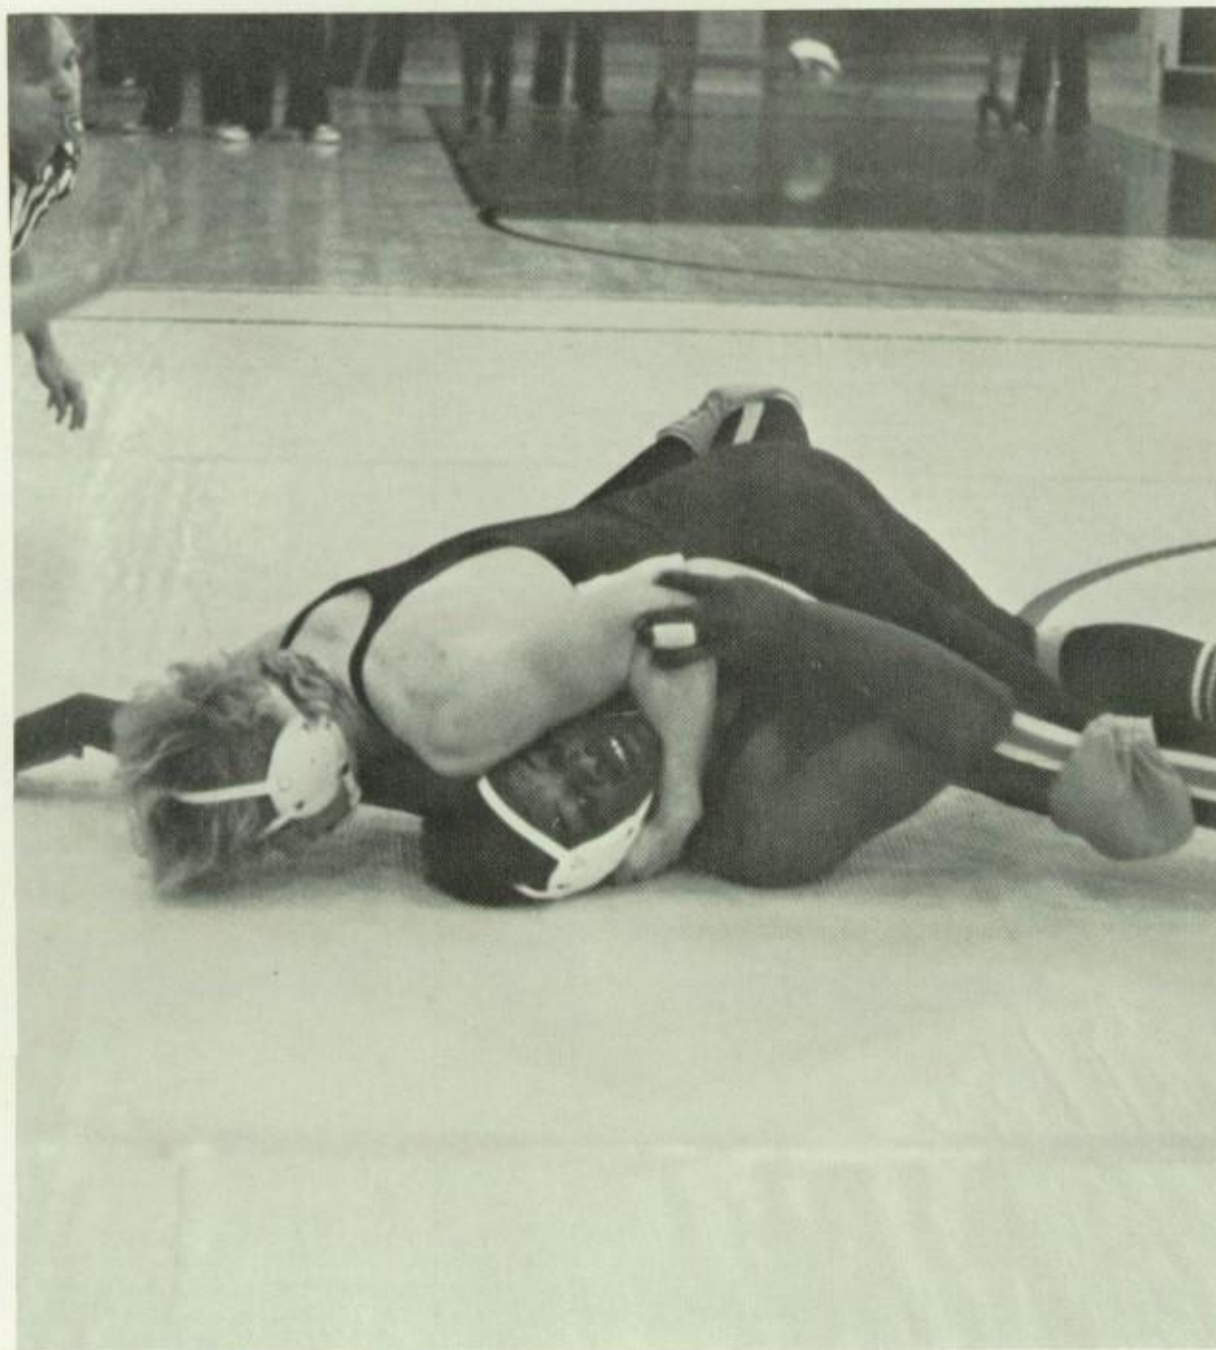

Jacobson was named "Coach of the Year" in the PHSL and co-captain Dave Weidl received the honor of "PHSL Swimmer of the Year." The two relay teams and six individuals, Weidl, Bob Holtman—the other co-captain, Jeff Webeler, Tom Lederer, Joel Prickett and Randy Cain were named to the PHSL all-star team. Girls were allowed on the team for the first time this year. Jacobson commented, "They've done an outstanding job and made a lot of contributions to the success of the team and the season."

Grapplers take league title; finish third at UC meet

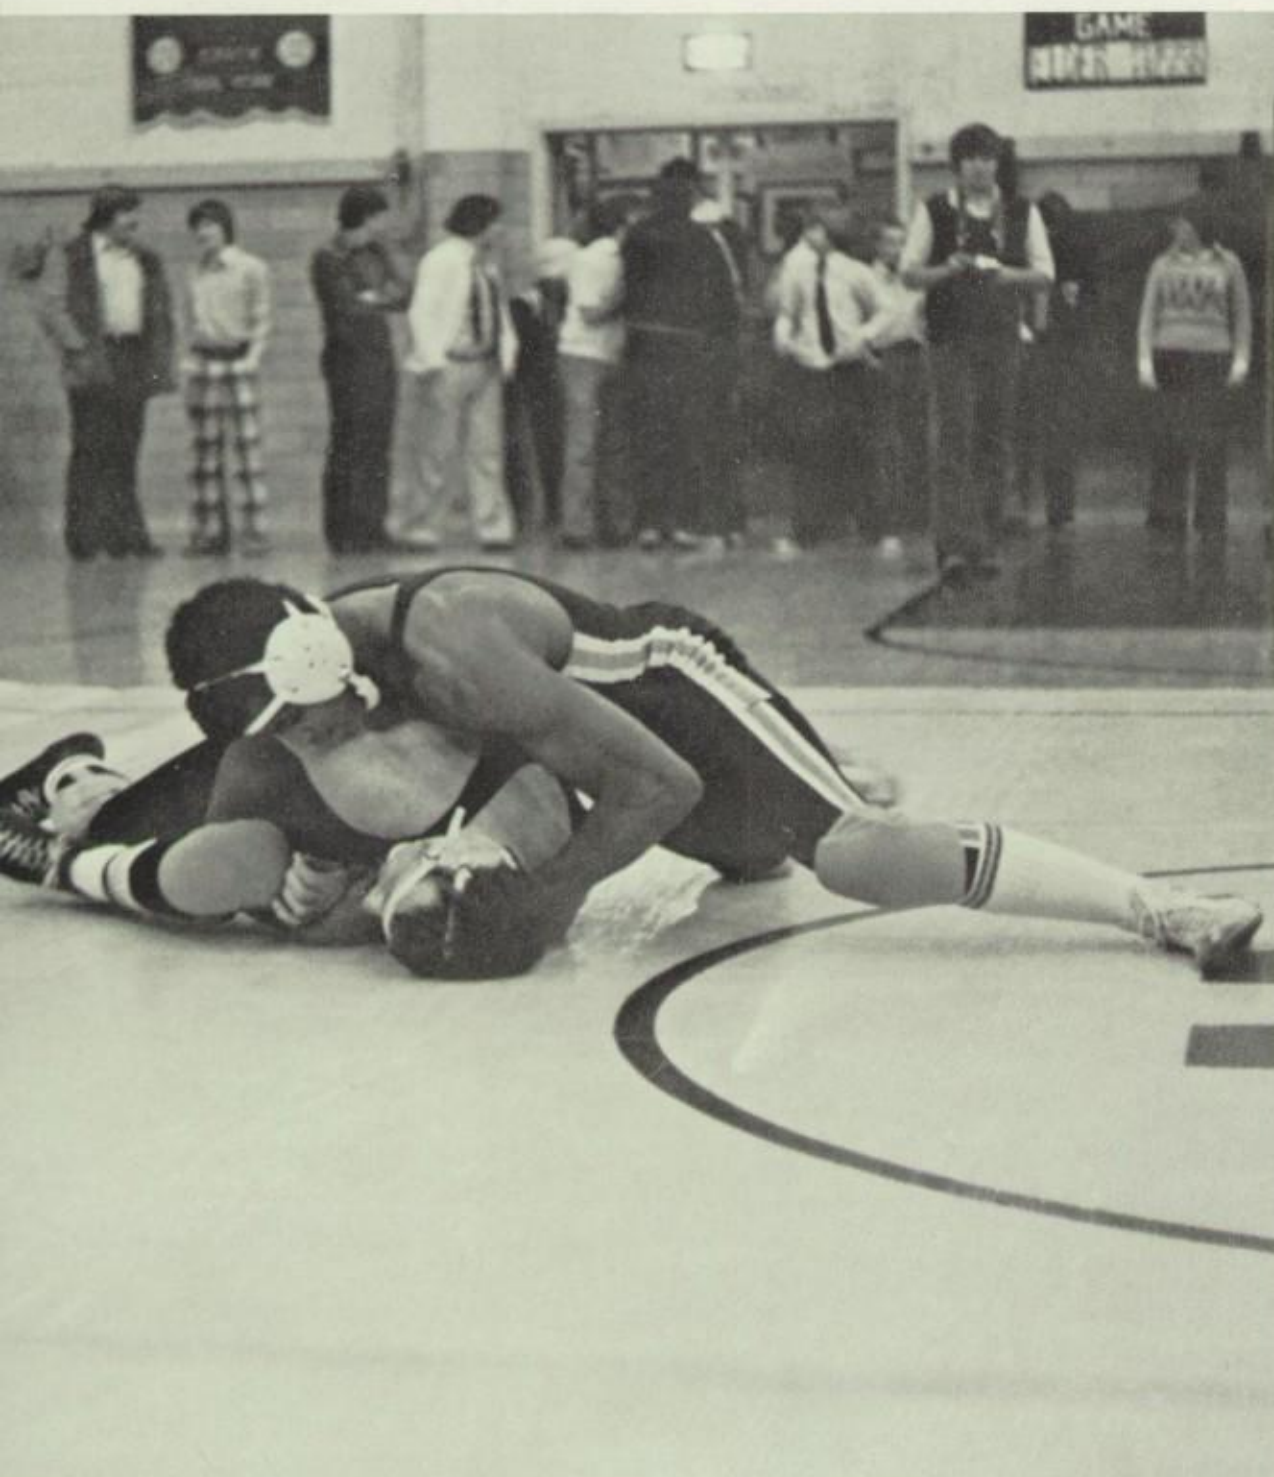

"The PHSL meet was definitely the biggest meet for us," stated Coach Dick Murphy about the 1973-74 Wrestling Team. The Matmen grabbed the PHSL title for the third straight year and placed third in the highly touted UC Invitational.

Gary McCoy, Dan Kennedy, Bob Yaeger, Dale Sprague, Tom Hemmer, and Tom Zaferes all took first places in the league meet as the grapplers amassed 127 points to more than double second-place Withrow's 60 points. The Mustangs placed everyone at least third in the meet by taking four seconds and three third places.

According to Murphy, co-captains Kennedy and Frank May, along with Hemmer, Sprague, Zaferes, and Yaeger were the most consistent wrestlers and the real leaders of the team. He said, "They didn't so much exhibit leadership verbally, but through their action, they were able to direct their efforts with example." May, a 145-pound wrestler, had the best regular season record at 13-1, followed by Kennedy, at 11-2, who had a 17-3-1 record. In the final team ratings of the southwestern Ohio area, the Matmen were ranked fourth out of forty teams.

Cagers reach District semis

"There was a tremendous amount of improvement shown from the beginning of the season up through mid-January," stated first-year Coach Joe McNeil about the 1973-74 Varsity Basketball Team. "We had to make some adjustments early because I was new." In tournament play the cagers beat Roger Bacon and Woodward to reach the District semifinals.

The Mustangs got off to a slow start, losing seven of their first eight games. They went on to finish at 4-6 in the league, good for sixth place, and had a 5-12 overall mark. The cagers upset then fifth-ranked Woodward early in January, and things seemed to start looking upward after that. "The Woodward win was particularly impressive, as the team played up to the level I expected them to," commented McNeil. "But we were hit with the flu after that and lost three players in a matter of three weeks. We had to start over after that."

Pat Ryan led the team in scoring with 23.3 points per game. Ryan was sixth in the city in scoring and fourth in free-throw percentage.

Colts lack size; finish 8-9

"Our lack of size hurt us most, but we made up for it with a lot of hustle and hard work," stated first-year Coach Dick Tipton about the 1973-74 Reserve Basketball Team. The Colts tied Taft for second place in the PHSL behind Hughes, finishing with a 7-3 league mark.

"The high point of our season was beating Oak Hills," remarked Tipton. "That win turned the season around for us." After that the Colts went on to win seven of their last eleven games to end 8-9 overall.

According to Tipton, Mike Schachleiter and Tim Walsh were the most consistent performers on the team. Schachleiter was the leading scorer, while Walsh grabbed the most rebounds. Tipton singled out Howard Rechel and Jim Alley as the two most improved players.

"This was a very responsive and very coachable group," explained Tipton. "They made every effort to do the things asked of them. Every member hustled his way into a starting assignment at one time or another. This team has the nucleus for next year's varsity."

Colt nine relies on big bats, strong defense

"We have more talent on this team than any reserve squad I've ever coached here," stated Coach Ken Selby about the 1974 Reserve Baseball Team. "We'll have a decent season . . . I expect to be .750."

The PHSL has only two other reserve teams this year, Aiken and Walnut Hills. According to Selby, the roughest competition will come from the county leagues and the GCL. "Elder, Oak Hills, and LaSalle are always tough ball games," remarked Selby.

Rick Bagby, Bill Green, Rich Robbins, and Howard Rechel were singled out by Selby as the "nucleus of our offense." The pitching will be handled by Keith Richey and Randy Rengering. On defense Selby expects fine performances from co-captains Phil Richter and Rechel, playing first and second base, respectively, center fielder Robbins, and Green and Jim Alley, both catchers.

Mustangs battle Withrow for title

"We'll have a good club, but we need good weather to play the early season games to get some experience for the younger kids," stated Coach Jerry Bush about the 1974 Varsity Baseball Team. "This is the youngest team we've had since I've been here, with only five seniors coming back."

The Mustangs compiled a 12-5 record last year and finished second to Withrow in the PHSL. According to Bush, Withrow will be the team to beat again this year. "Our strong points will be our defense and our first five hitters," added Bush. "All five are capable of hitting .300."

The pitching chores will be handled by Dan Boyle and Mark Groppe, while John Nelson will be the catcher. Jerry Moreton, the only returning starter, plays at first, Paul Hartmann will play second, the shortstop will be Daryl Haefner, and Rick Keeton is the third baseman. The outfield positions will be filled by Steve Fletcher in left, Dave LeCompte in center, and team captain Dave Watanabe in right field.

Track title hopes rest on distance, weight events

The 1974 Track Team has its sight set on a third straight PHSL title. The cindermen edged Walnut Hills last year in the league, and according to Coach Virgil Scardina, they are the "team to beat" this year.

"Our strength appears to be in the 440 on up through the distance events," stated Scardina. "We will be good in a few field events too, but the season really depends on whether the sophomores can develop enough to help us in other events. There will be a lot of doubling up in events, since we don't have super talent overall."

The 1973 PHSL Championship Cross-Country Team forms the nucleus for the distance events. Dave Thomas and Dave Erhold head the pack in both the 880 and the mile, while Pete Strimple is the top two-miler. Adding depth to the distance events will be Mark Klette, Dave Hoekstra, and Chris Lagemann. The field events are led by discus thrower and shot putter Rick Cox, followed by Tom Zaferes, also in the shot and the discus, and Joe Kappa in the pole vault. Tom Broxterman and Bob Ray will lead the 220 and 440 men, with Tim Walsh adding valuable depth. In the hurdles Scardina expects good performances from Joe Caminiti and Walsh, while Pete Piepenbring should add depth to the sprinting events. Cox and Thomas are the team captains.

Kiely adds new look to netters

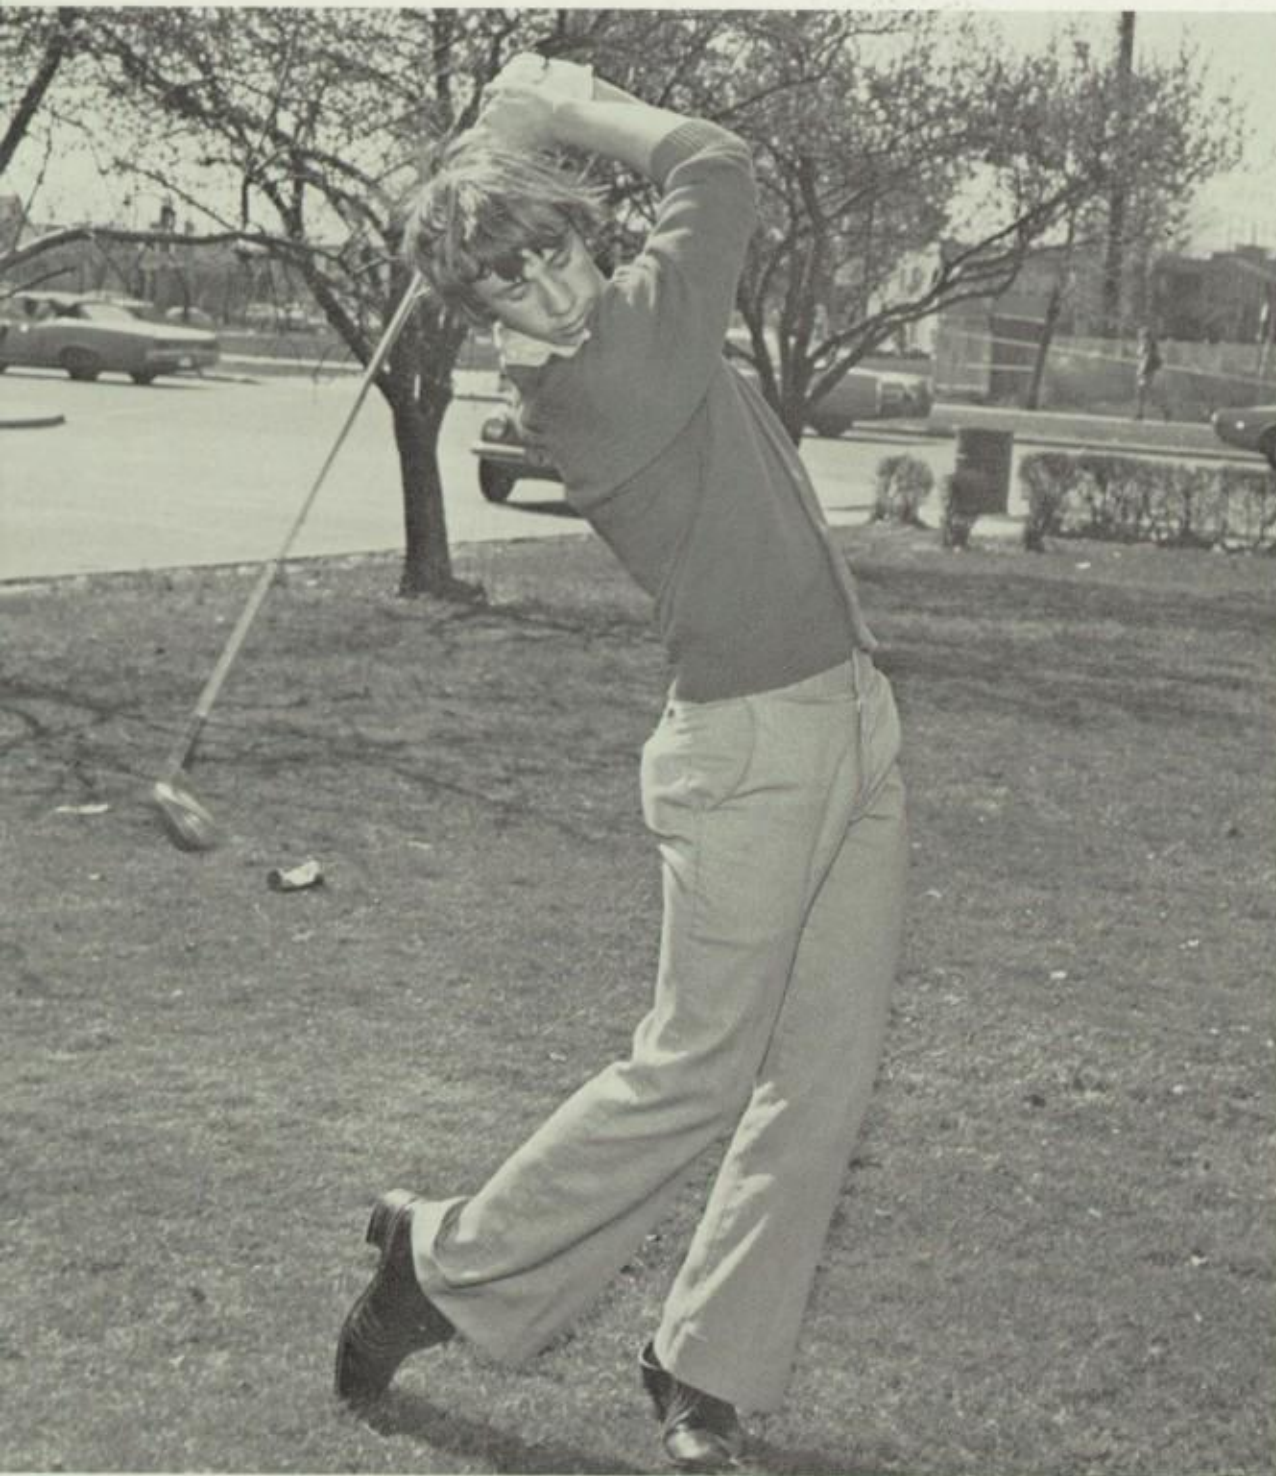

The 1974 Tennis Team will be out to improve on last year's 11-7 record and will make another attempt at dethroning perennial league champion Walnut Hills. Withrow, with several new players, will make a bid for the title also, according to Coach Art Weil.

"We have a lot of players back from last year and a few promising newcomers," stated Weil. Jim Tatgenhorst, team captain and a second singles player last year, will battle for the first singles position with Evelyn Kiely. Kiely, the state 16 and under champion, becomes the first girl to play varsity tennis at West High. Brad Sallwasser and Geoff Robbins are competing for the third singles spot, while Mike Mason, Eric and William Baltes, John Honecker, and Steve Stanecki will fight for the doubles positions.

"Walnut Hills plays all year-round and they have a six-year program where we have just a three-year program," explained Weil. "But Ev and some of our other members play indoors, so we should make some improvement this year." Assisting Weil this year with the coaching duties are Mr. Fey and Mr. Chesley.

Senior linksmen lead Golf Team

The 1974 Golf Team is out to defend the PHSL title, looking for their fourth consecutive championship. "The golf program has always been successful here," stated first-year Coach Joe McNeil. "I expect this team to be competitive enough to continue the winning tradition. We have three strong seniors and a few good juniors, so I anticipate success."

Seniors Ralph Bradburn and Dan Wolterman, returning lettermen, form the nucleus of the team. Senior Larry Ludwig, a newcomer who moved from Virginia, should "add a lot to the team." Jerry Mussman appears to be the "strongest of the juniors." According to McNeil, Walnut Hills will be the toughest competition in the league, while Aiken will also be in contention for the title.

Hockey kickoff GAA season

"GAA — For the Girl of Today," the theme of this year's GAA season, was introduced at the Kickoff Party on September 11. Advanced teams, sport seasons, and the point system were explained by the officers and board members.

The fall sports included tennis, hockey, golf, and beginning swimming. GAA members also participated in the Halloween Party and Apple Sale. Horseback riding, a new Outdoor Education activity, was held at Winton Woods September 29.

The "Powder Puff" football game was also a part of the fall season. The Senior squad defeated the Junior squad in the flag football game held October 13.

"GAA is really worthwhile — it's a fun way to meet people and participate in sports. GAA also helps to develop your athletic skills," stated Cathy Warrenburg, GAA President.

Mr. Western Hills highlights GAA winter season

"Although the Mr. Western Hills Canteen is not a big money maker for GAA, it is still very worthwhile. We do have a big turn-out and the kids seem to enjoy themselves," remarked Pauline Sallwasser, GAA sponsor.

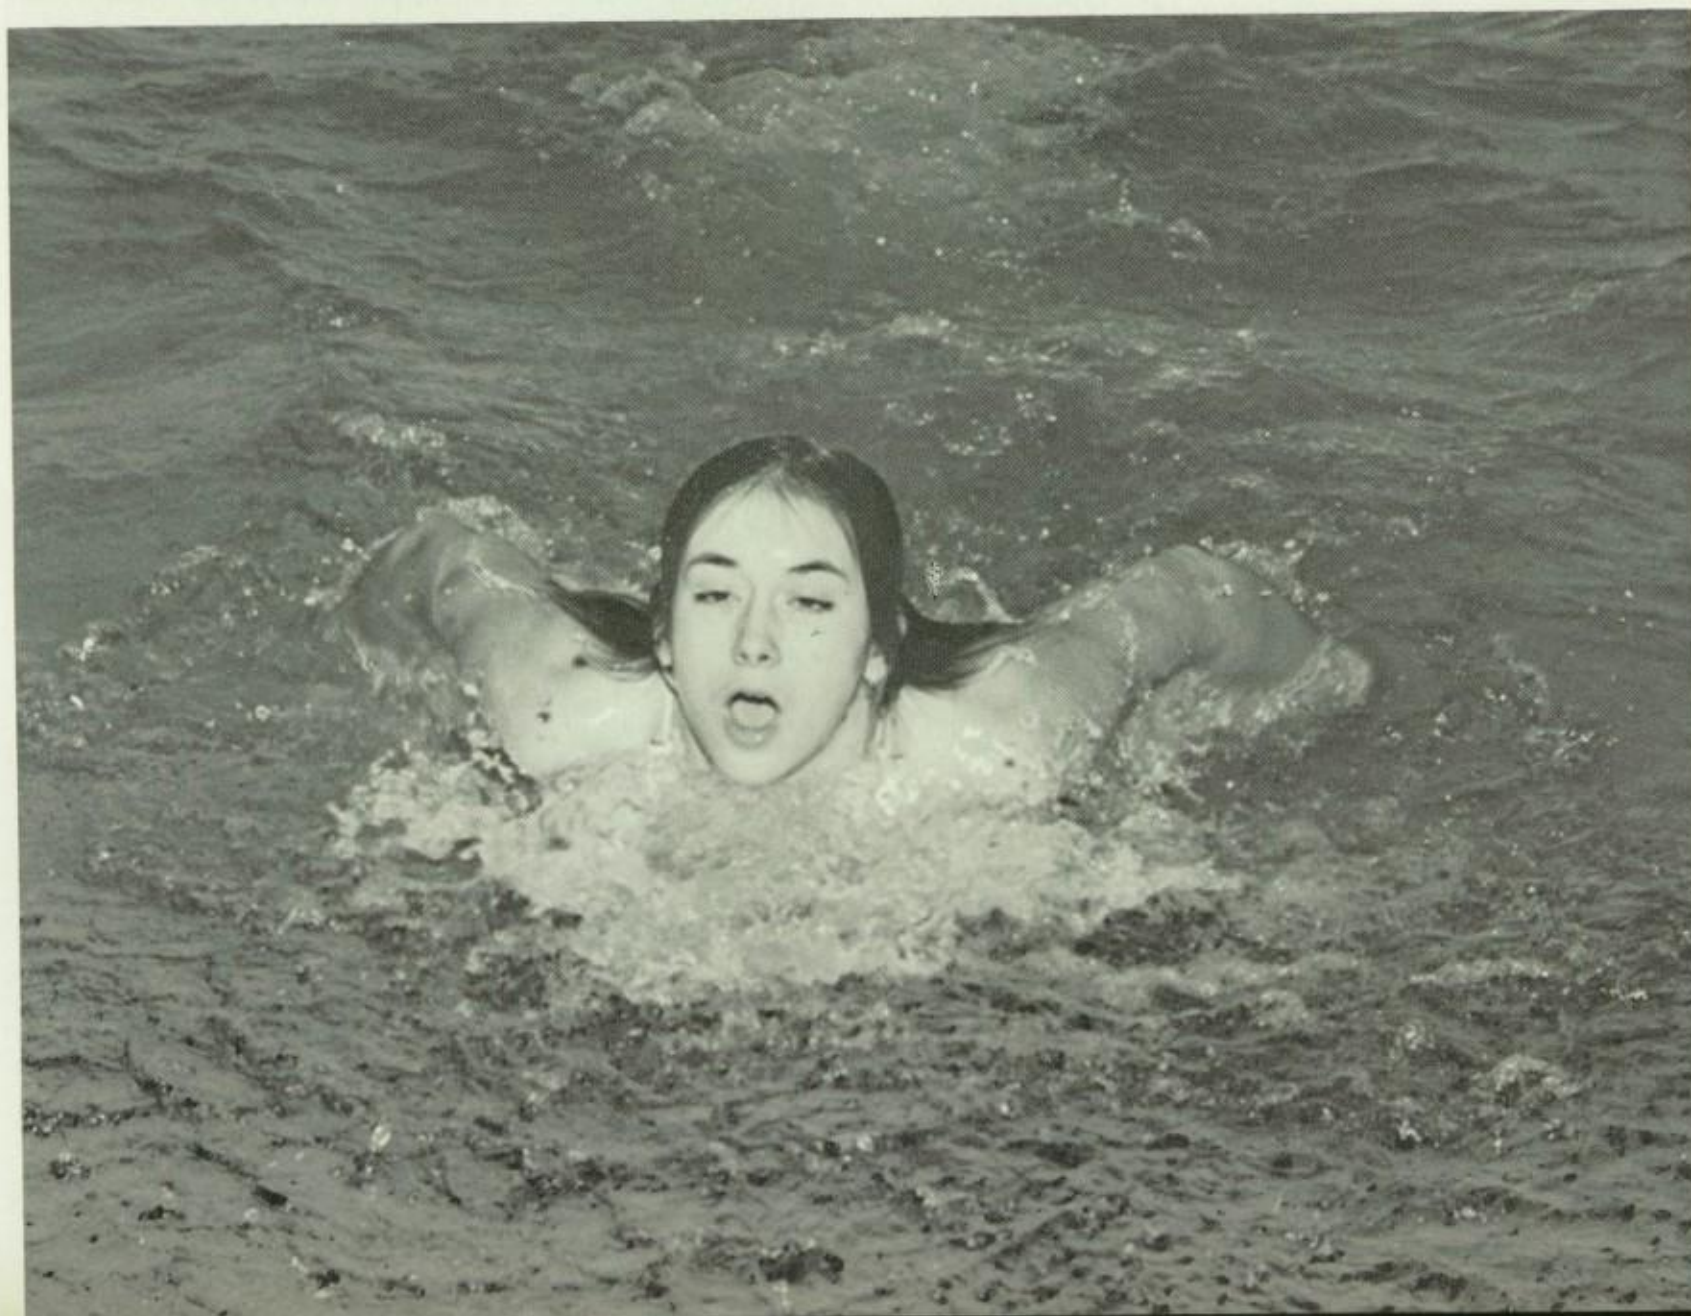

For the first time, the candidates for Mr. Western Hills were nominated by the senior homerooms. The finalists were also chosen by the seniors. The ten candidates who vied for the title were: Pete Chaldekas, Dave Greene, David Hampton, John Hempe, Art Nare, Pat Ryan, John Scheidt, Mike Staubitz, Dave Watanabe, and Tom Zaferes. Pat Ryan was elected Mr. Western Hills and John Scheidt was first runner-up. The Calvary Bash provided the music for the canteen which was held in the girls gym January 4.

The first part of the GAA winter season opened with intramural volleyball, advanced volleyball, and intermediate swimming. The advanced volleyball team practiced two nights a week and played a match with Hi-Y in March. An ice-skating party at Dixie Bowl, December 19, ended the first quarter of winter sports.

Members indulge in pizza, sports

The second quarter of the GAA winter season offered a wide variety of individual and team sports. Members attended bowling, basketball, advanced basketball, modern dance, gymnastics, and advanced swimming.

Every Tuesday, over twenty-five teams took part in bowling at Western Bowl. Girls learned how to keep score and improve their game.

Advanced basketball met Tuesday and Thursday mornings at 7:00. Under the supervision of sponsor Jeanette Worley, girls were put through interval training and learned many different kinds of defense and strategy. Although the advanced basketball team could not schedule games with other schools, they did scrimmage with an amateur women's basketball team.

Due to a lack of funds, there were no games scheduled against any other schools. An appeal was made to the Board of Education to give the girls' interscholastic sports program the same treatment the boys' interscholastic program receives. Through this effort, sponsors hoped to get more money and better equipment for the girls.

"I really think that the girls deserve the same treatment as the boys. Hopefully, next year's class will be able to play against other schools," stated GAA Vice-President Nancy Sferra.

The GAA spring season of sports kept members very active with such sports as intramural softball, track, advanced softball, and badminton and ping-pong. The girls' golf team, under the direction of Mr. Byles, was offered on the same day as archery. Advanced tennis team members practiced on Friday mornings and played special intersquad matches.

"The only thing bad about playing tennis at 7:00 in the morning was that it was usually too dark to see for the first half hour!" exclaimed junior Holly Hoff.

A bike hike and a camp-out to Hueston Woods rounded out the spring season. At the traditional May Banquet, members received letters, trophies, and charms. Announcement of the new officers and All-Around Girl climaxed the evening.

Cheerleaders win Spirit Stick

"One thing different about this year's squad was that there were only ten girls chosen instead of twelve. Eight girls were regulars and the other two were mascots. In this way, all the girls had more of a chance to cheer," explained Kathy Houck, Captain of the Varsity Cheerleaders.

In July, the squad attended a cheerleading camp sponsored by the NACA. While at camp, the Varsity Squad received a red, white, and blue "Spirit Stick" for displaying the most enthusiasm.

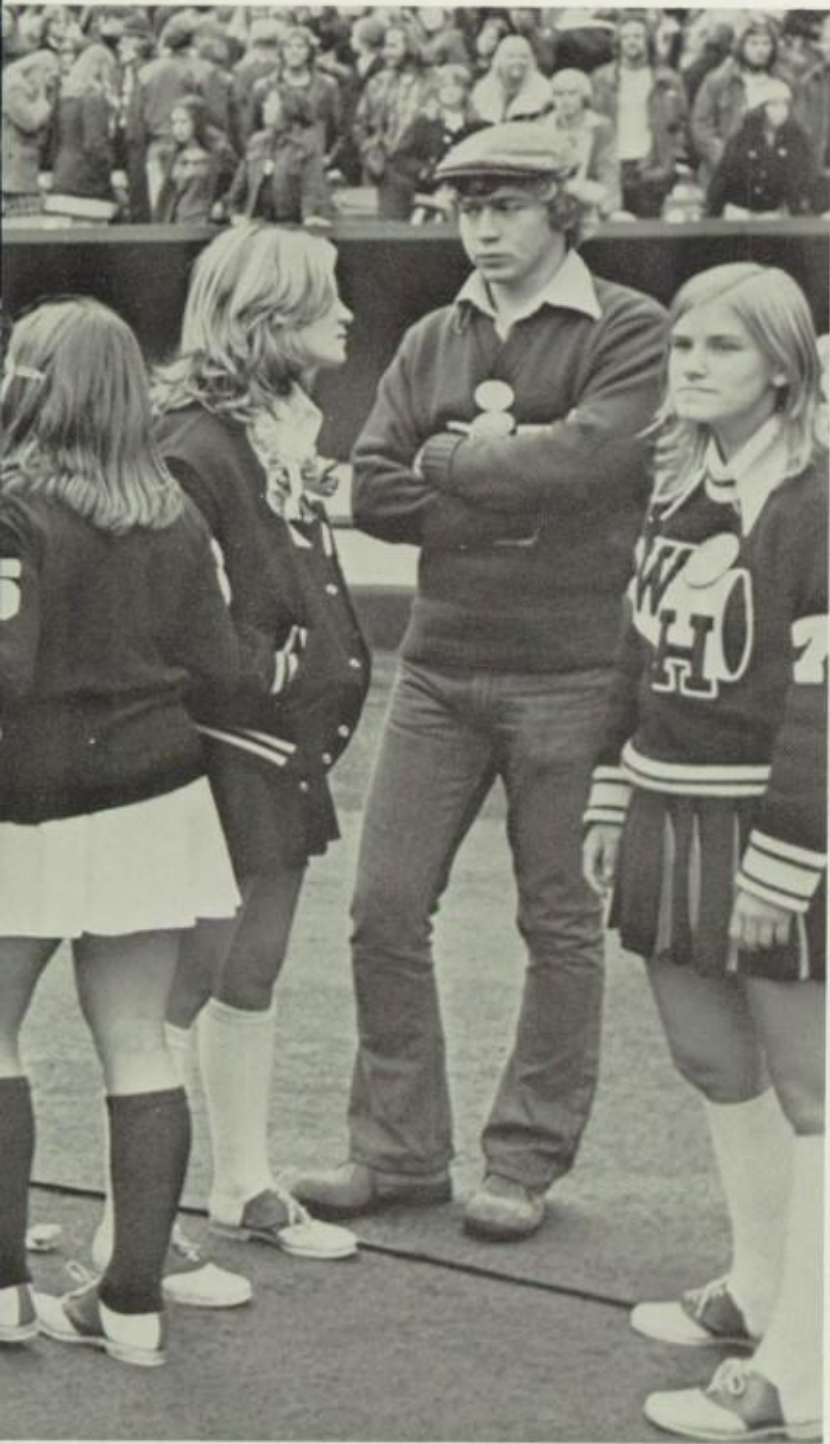

During the year, the cheerleaders cheered at games and pep rallies, pinned team members with victory tags, made posters, and decorated the homes of the football players for the Thanksgiving Day Game.

The cheerleaders sold peanuts, candy, and bulletin boards to help raise money to buy new letters and maroon saddles. Other money making projects included a car wash and bake sales.

"The one thing I remember the most about cheerleading is when the football players gave us flowers on the last football game. It was really neat!" giggled Fran Holub, three-year Varsity Cheerleader.

Mermaids, Pin-Ups cheer teams to victory

The Pin-Ups, in their third year associated with the wrestling team, sold candy, candles, and had a bake sale to buy new uniforms. The girls' main jobs were to keep score, run the clock, and cheer at wrestling meets.

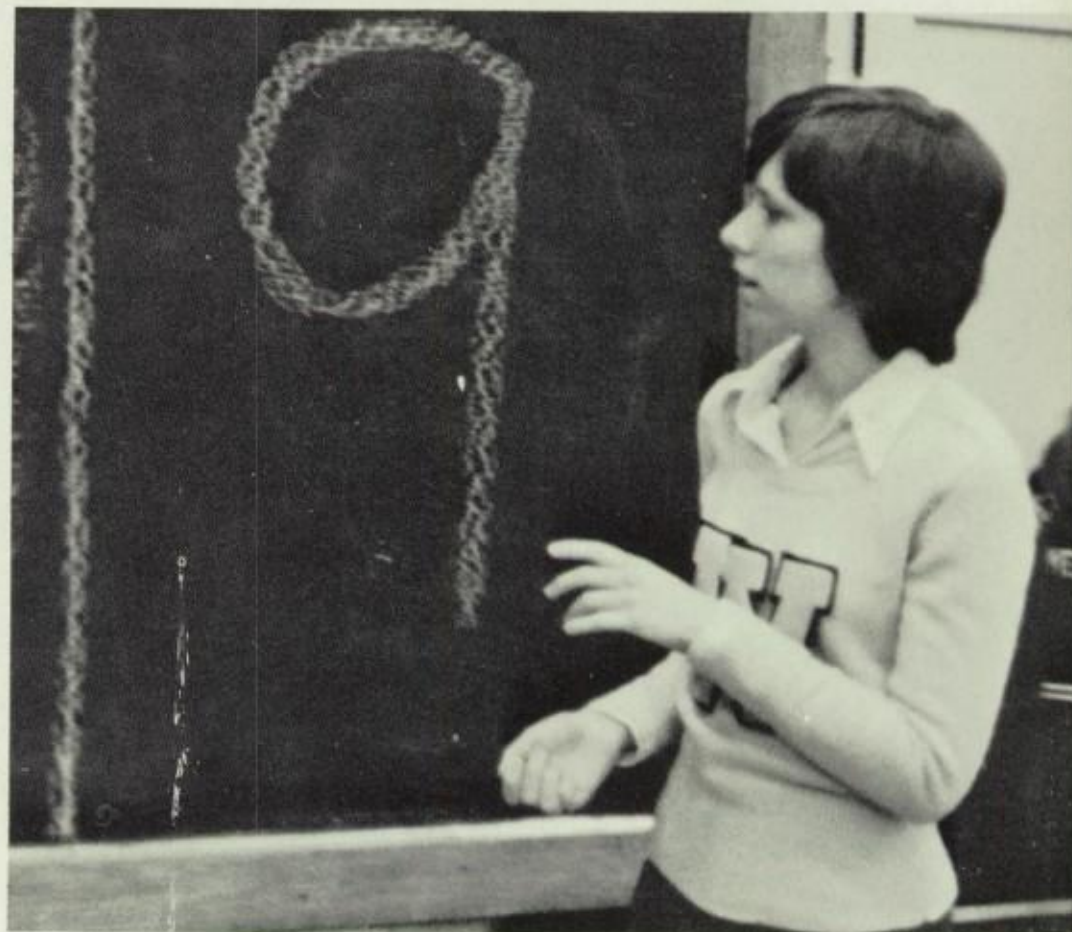

The Pin-Ups were sponsored by the wrestling coach, Mr. Murphy, with help from Miss Kearns. "The team had a really good season. The girls' cheering really backed the guys. Without Miss Kearns' help, we couldn't have made it," stated Pin-Up captain Patty Noppert.

Timing, judging, starting, and cheering at swim meets were just a few duties of the Mermaids this year. Under the sponsorship of swim coach Robert Jacobson, the girls had a car wash in September and sold candy at Christmas. "Coach really appreciates the support we give the swimmers. I'm glad that there are Mermaids to support the team", stated co-captain Liz Patty.

Students actively promote spirit

"I think Maroon 'W' in recent years doesn't have the support it used to. The interest is gone," stated President Dave Thomas.

Maroon 'W' is a sports organization for varsity letter winners. On Tuesday nights, an open gym was held for members.

The club sponsored several fund raising activities. Money-making projects included selling class T-shirts and a basketball and softball game against the faculty. The profits made from these projects will go towards the purchase of a new activities sign.

The Shortstops, under the supervision of Donna Dell, were responsible for promoting interest and support of

the baseball team. The girls, cheering at home and away games, sponsored a raffle, bakesale, and made team nametags to pin the players on game days.

"The purpose of Shortstops is to try to bring back the enthusiasm that once was so prevalent over baseball at West High," stated Co-captain Judy Crane.

Timing, cheering, measuring distances, and promoting spirit were just a few activities of the Trackettes this year. The girls, under the leadership of President Anne Pikos, sponsored a bakesale earlier in the year to buy refreshments for the track team at home and away meets. Mr. Scardina sponsored this year's Trackettes.

Chaldekas attends 'Super-Sac'

"The main goal of Student Council was the reinovation of the smoking area, until we found out that the smoking area had been changed," stated Student Council President Pete Chaldekas.

When the new vocational wing was built, plans were made for a black topped smoking area. Trees and shrubbery would be placed in the old area.

"I felt a new goal was achieved when student representation was given at the Board of Education," added Chaldekas.

Frequently throughout the year Chaldekas attended Super-Sac. This was a meeting of student council presidents and one eleventh grader from each high school to talk with Dr. Wal-drip, superintendent of schools, on school issues.

"Super-Sac was effective in that school problems reached the board in less than one week instead of about five weeks," commented Chaldekas.

SC committees benefit students

"The purpose of Student Council committees was to get things done. Any project or activity which arose was sent to a committee to discuss and be planned," commented Chaldekas. Each member of Council worked on one committee.

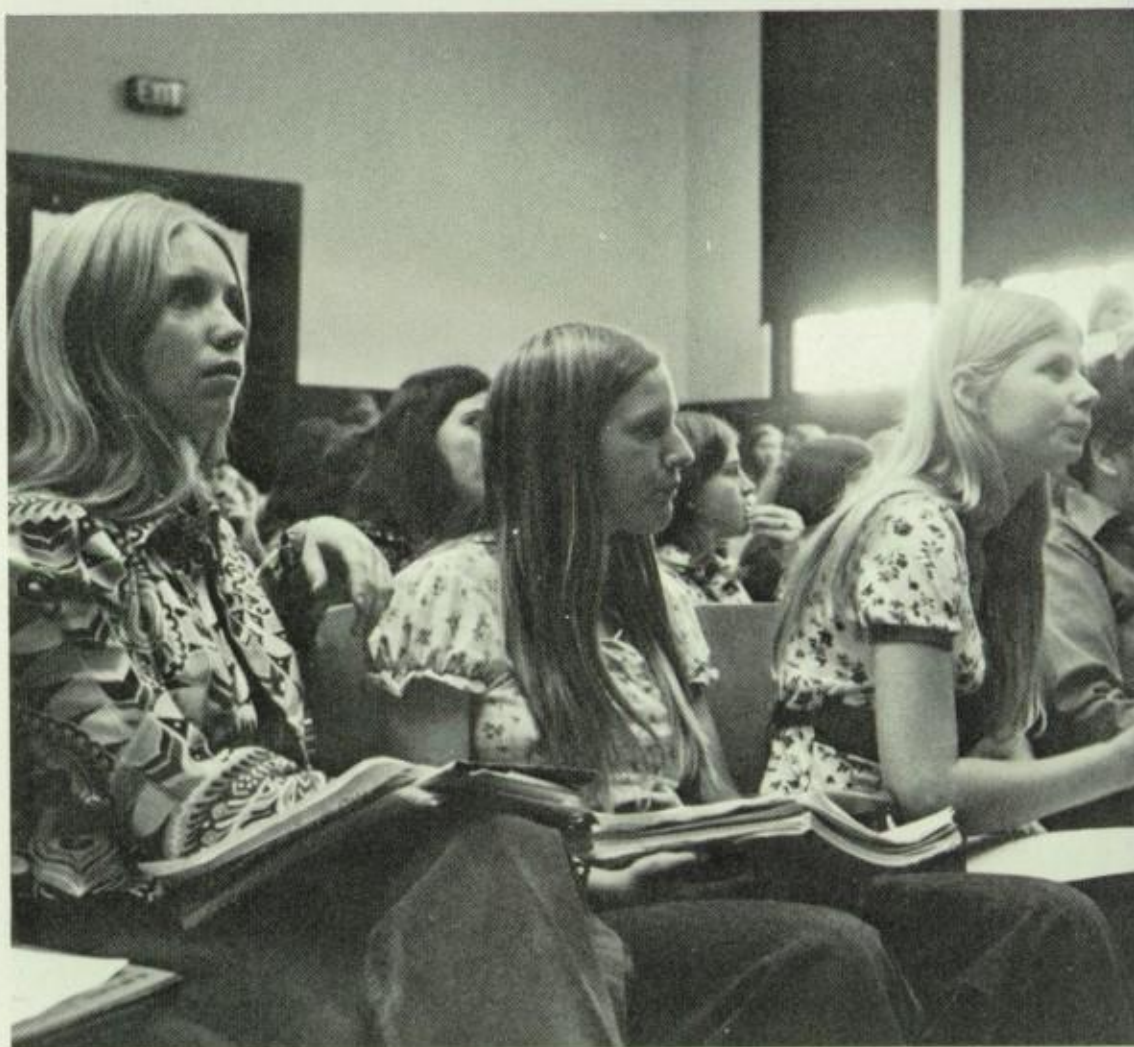

Service Committee was in charge of the basketball recognition night and the refreshments for open house. Service also got telephone books for the telephones.

The STP board met on the first Wednesday of every month and discussed the issues, needs, and problems of students, teachers, and parents. Topics included senior open campus, counseling, campus beautification, and profits from the West High-Elder football game.

The purpose of finance committee was to think of ways to raise money and to carry out the money making projects throughout the year. One project was the Slave Auction Sale. The committee also sold spirit buttons during football season and programs at all basketball and football games.

Awareness committee sponsored a Thanksgiving can goods drive and distribution of clothes, toys, and food to needy families at Christmas.

Committees such as publicity, social, and campus beautification also helped Student Council work for the students.

SC Folk Festival shows talent

Co-chairmen Belinda Tholke and Debbie Girdler headed in 1974 fall Folk Festival. Forty people participated.

The Folk Festival had a few changes. It was held on Thursday night instead of Friday. "I was expecting better attendance. I think having it on Thursday really hurt it," stated Girdler.

Another change was there wasn't a certain theme this year. In past years, the stage and songs were based on a theme. This year students just performed songs they liked.

Student Council sponsored two

Parents' Recognition Nights, one for the football players and the other for the basketball players and varsity cheerleaders. On both nights the mothers were given flowers. At the football Parents' Recognition Night the fathers wore their sons' number.

The Basketball Queen was abolished this year by Student Council. The Election Committee explained that since no other sport has a queen, it was purposeless to have a queen for basketball. "We decided that since we usually lose money on the Basketball Queen Canteen that we would just skip it this year," stated Mrs. Jean Michaels, Student Council Advisor. Council abolished the election Feb. 6.

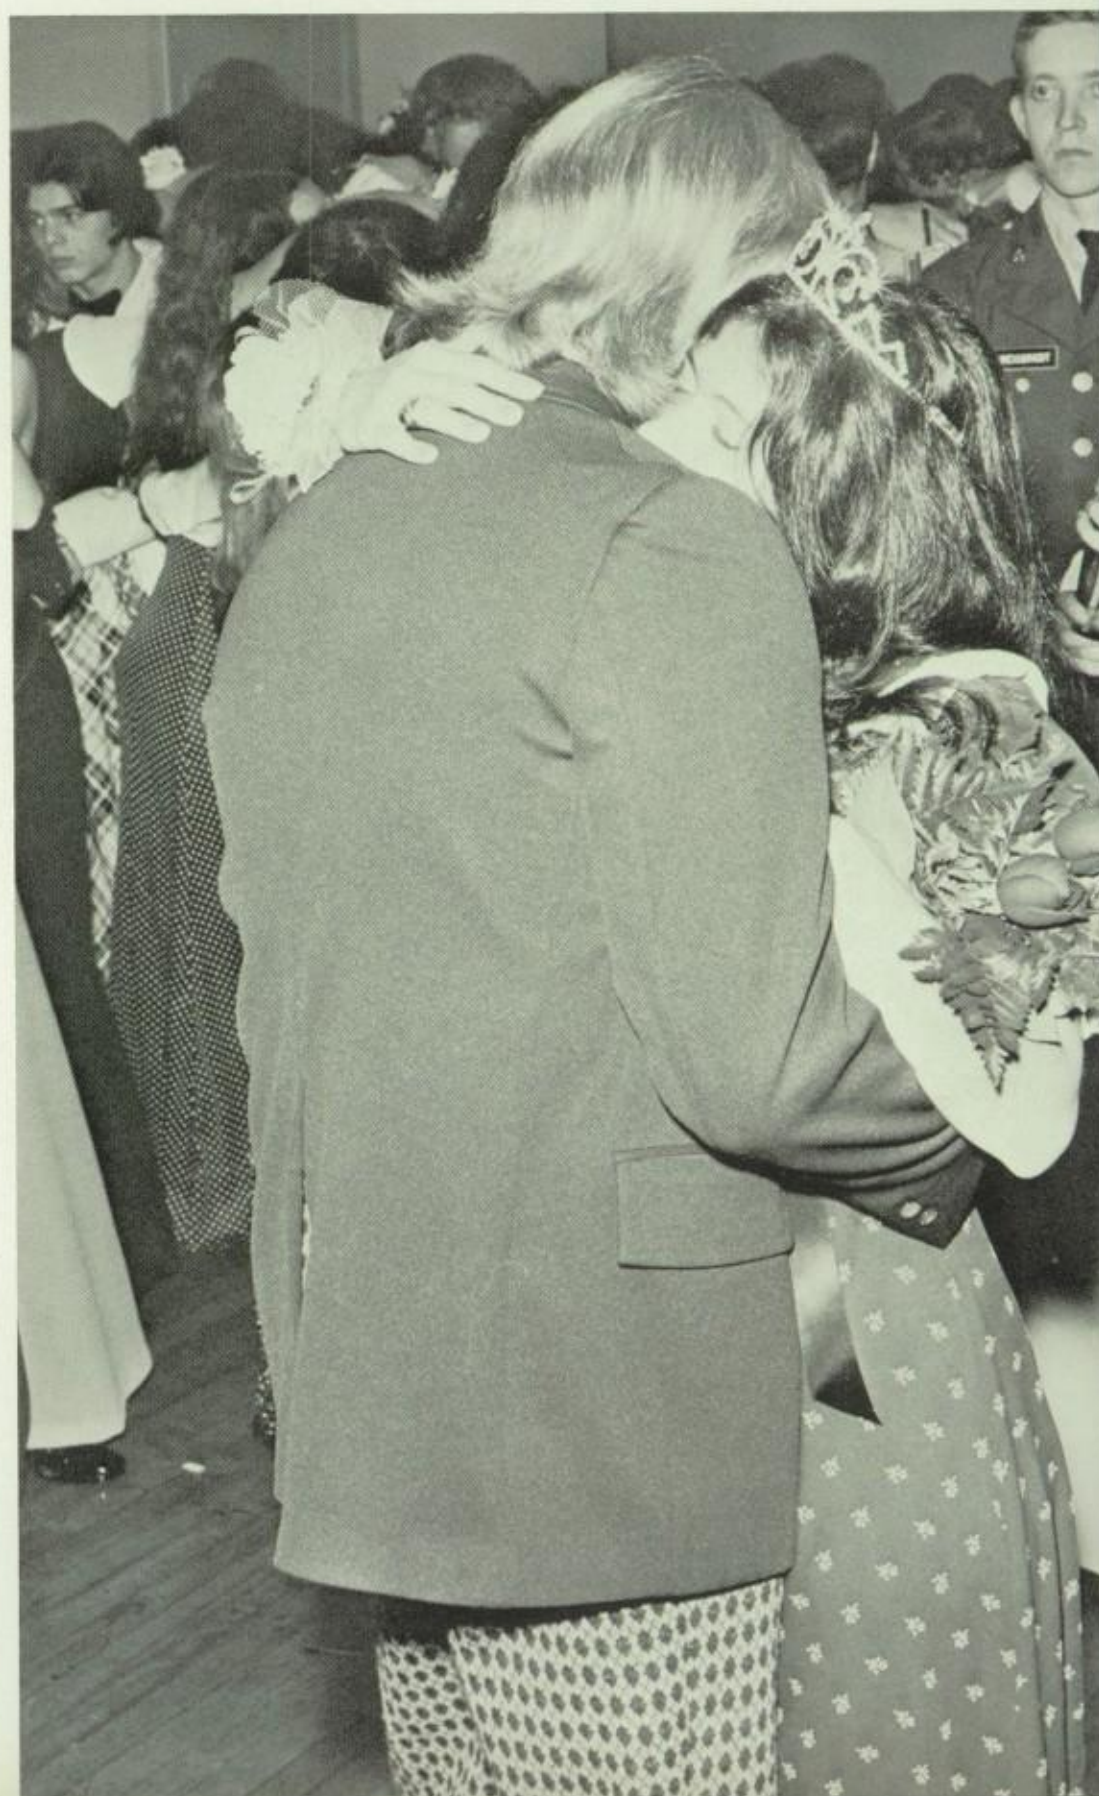

Knotts crowned Homecoming Queen

The 45th annual Pow Wow began homecoming events the night before the Thanksgiving West High-Elder football game. The traditional bonfire and the burning of an Elder football player dummy took place.

Thanksgiving Day began with West High and Elder participating in a parade. Band, majorettes, drill team, and clubs took part. The Sophomore class won the float competition against West High's Junior and Senior class floats. The sophomores also won against Elder's four floats. Homecoming Queen finalists were announced during halftime at Riverfront.

Friday night, Shelly Knotts was crowned Homecoming Queen. "I was really happy. I've never been so excited in all my life," Knotts commented.

The Student Council sponsored dance was held at the Sheraton Gibson Roof-Gardens. Yellow suns brought out the theme, "Sunshine of My Life." Music was provided by "Freedom Suite."

Color scores in 1974 Annual

A record in the front of the 1974 **Annual** was the major change this year. The record included "This is My School," "The Western Hills Battle Song," "Victory Song," and "Alma Mater." "The school Alma Mater has never been used as a theme, and most students don't even know the words," stated Mr. John Michaels, **Annual** staff advisor. "Now students can read and hear the words."

Color was also more predominant this year. Both opening and senior sections were done completely in color. The senior section also had an addition of environmental pictures.

The size of the **Annual** increased from 252 to 260 pages.

For the third straight year Michaels appointed co-editors to head the **Annual** staff.

"This year we tried to make a book that had a lot of school spirit to it and would interest the other students," stated Valerie Schmidt, co-editor.

Breeze Staff learns from mistakes

"If someone on the staff makes a mistake we try to undo them or acknowledge them," stated **Breeze** staff advisor, Mr. David Pierato. "We all strive for perfection, but we are all human."

One change this year was the homecoming issue. The front page was on the second page, and a free arrangement of photographs was on the front page. Also, every page carried out the football theme.

The **Breeze** sometimes went beyond school news. The staff touched on Watergate, the anniversary of Kennedy's assassination, and city and national elections. Also, the **Breeze** used articles from people not on the staff.

"This year, as last year, the editor did not take the regular journalism class but came in during a free bell and picked up from experience," stated Pierato.

UTBU eliminates unpleasant people

"The play was an artistic success; that is, I believe all my actors put forth excellent performances, and the set was the best designed and built that we've ever had," remarked Mrs. Carol Mumma, director of the fall play, **UTBU**. **UTBU** stands for Unhealthy to be Unpleasant.

The two act comedy portrays an organization which permanently rids the world of unpleasant people. The organization's main objective was a former movie star J. Francis Amber who was constantly annoyed by his 94 year old eccentric mother. **UTBU's** best man was blind Mr. Uggims, whose job was to bomb unpleasant people.

The play was first produced on Broadway in 1966 starring Tony Randall, Thelma Ritter, and Constance Ford.

To qualify for International Thespians a student must earn 100 stage hours in school productions. Members of Thespians formed a traveling theatre troupe, "Gizmo", which performed skits throughout the community. The club also had guest speakers from local colleges and professionals in the field.

'No No Nanette' brings back the 20's

"The main reason 'No No Nanette' was selected was that it contained a lot of choreography, and we have such a vast amount of good dancers," stated Mrs. Mary Schneider, director. "It's a fun kind of musical to give and to watch, and it gives kids insight on what the 1920's were like," added Schneider.

"No No Nanette" is the story about three couples on a summer week-end in New York. The couples are: Jimmy and Sue Early, Billy and Lucille Smith, the Early's step-daughter, Nanette, and her boy friend Tom. Nanette's wealthy step-father sells bibles. During his travels, he meets three girls. To each he gives a fairly large sum of money for various reasons.

One week-end everyone accidentally ends up at Chicadee Cottage in Atlantic City. Jimmy and Billy tell their wives they're going on a business trip while actually they're going to meet Jimmy's three girls. Mrs. Early and Mrs. Smith get bored and decide to go to the cottage also. Nanette wants to go with her friends, but her step-mother keeps saying "No No Nanette." Tom and Nanette finally end up going anyway. When everyone discovers everyone else at the beach, confusion reigns. In the end, the three couples patch up all the misunderstanding.

Stadium echoes Drill Team spirit

This past summer drill team officers attended a camp in Bluffton, Ohio. On the last night they won second place in competition. The camp gave the girls fresh ideas and boosted spirit.

The drill team performed in every football and basketball halftime show including the homecoming game at Riverfront Stadium. Drill team also marched in the West High-Elder parade.

6th bell practice was new this year. The team's performances would be filmed at halftimes, and the following Thursday, the team would go over the film and watch for mistakes.

Miss Slattery, drill team advisor, commented, "The improvement in the drill team is due mainly to the increased number of officers."

Majorettes performed in most football and basketball game halftime shows. The girls performed in every pep rally before the games and in the West High-Elder homecoming parade. Majorettes practiced once before each game on different nights each week.

Band performs at Kings Island

Eight maroon and white and one American flag led the band this year during their halftime performances. Football and basketball halftime shows, winter and spring concerts, the District Band contest, and a performance at Kings Island were activities that occupied the band.

Halftime formations included four tributes at the Elder game, fight songs from around the country at the Oak Hills game, and a dance contest between the majorettes, drill team, and band at the Aiken game.

The purpose of the Band Letter Club is to promote, musically improve, and create social activities for the band.

Activities of the Band Letter Club included swimming and skating parties, an annual picnic, and fund raising activities for band scholarships.

Alumni perform in WH concert

Forty-five students playing woodwind, brass, strings, and percussion formed the Western Hills Orchestra. Every morning first bell, these members rehearsed for concerts and contests.

The Orchestra performed in the Christmas concert on December 20, in the winter concert on March 20, and in the spring concert on May 22.

Orchestra Pin Club had bake sales and other projects to raise money for spring awards. They also promoted alumni to return for the Christmas concert. The club joined activities with Band Letter Club.

Studio Choir records WH songs

One of the new things Studio Choir did this year was to go to the Mt. Adams School of Creating and Performing Arts. "It was a nice experience for Studio to perform there and see how the kids there are taught and the ability they do have," stated Mrs. Mary Schneider, choir director.

Studio Choir recorded West High's "Battle Song," "Victory Song," "Alma Mater," and "This is My School," for this year's **Annual**.

"We're constantly busy. It seems there's always something going on or something to get done," stated Schneider. During Christmas, Studio performed in West High's Christmas assembly, and in 19 Christmas concerts throughout the community. They traditionally caroled throughout the halls the day before Christmas recess.

Both Studio Choir and Senior Choir participated in the musical and solo contests. All three Senior Choir classes came together to perform at the Christmas concert and graduation.

New German Club organized

French Club participated in three dinners. An international dinner was held in the lunchroom and over 100 people attended. The dinner cost fifty cents and a band played for free. The club also had a progressive dinner. Students went from house to house for different courses of meals. The final banquet was held to elect next year's president and vice-president.

Spanish Club had an exchange student from Brazil come and live with Julie Siegler, a second year Spanish student. Spanish members participated in the international dinner on December 3rd. The club also made a cook book of Spanish recipes and traveled to the Art Museum.

German Club was new this year. In the past years the club lost membership and finally disintegrated. This year the club tried to boost membership. German Club members went to Ocktoberfest at Harvest Home and participated in the international dinner with the other language clubs. The club raised money through a stationery sale.

Latin Club's goal was to enjoy the association of fellow Latin students. The club had a Halloween masquerade party that included old fashioned games. The club also had a Valentine Party and a spring picnic. Seniors challenged juniors to a softball game.

Hi-Y revises Hall of Honor

Revising the Western Hills Hall of Honor to be placed in the vocational building and making new cases for team pictures to be placed in the boy's gym hallway were two main activities of Hi-Y.

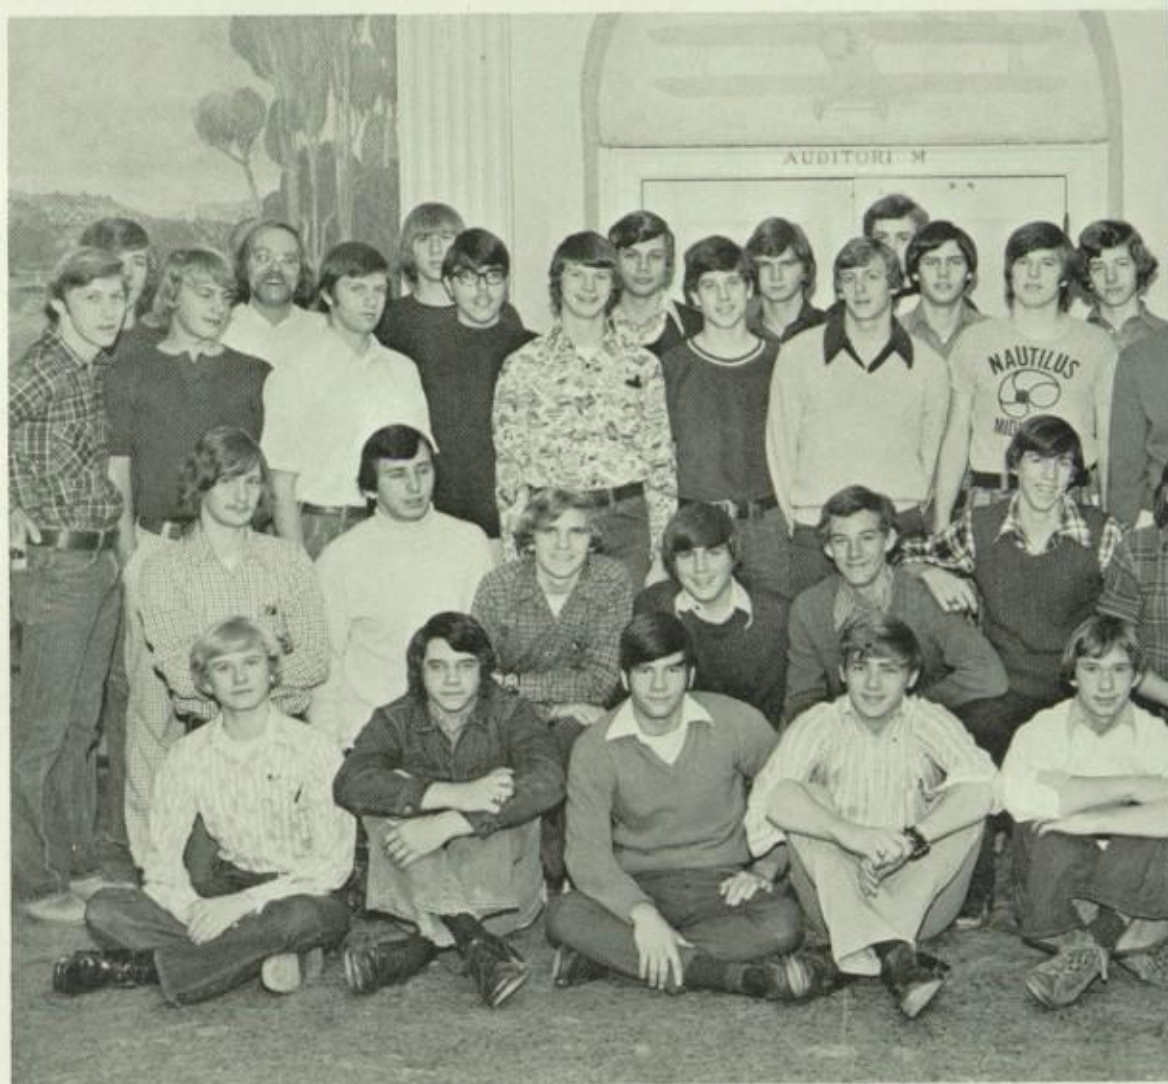

A new sport added to Hi-Y this year was soccer. Members played scrimmages for about a month and a half in the fall.

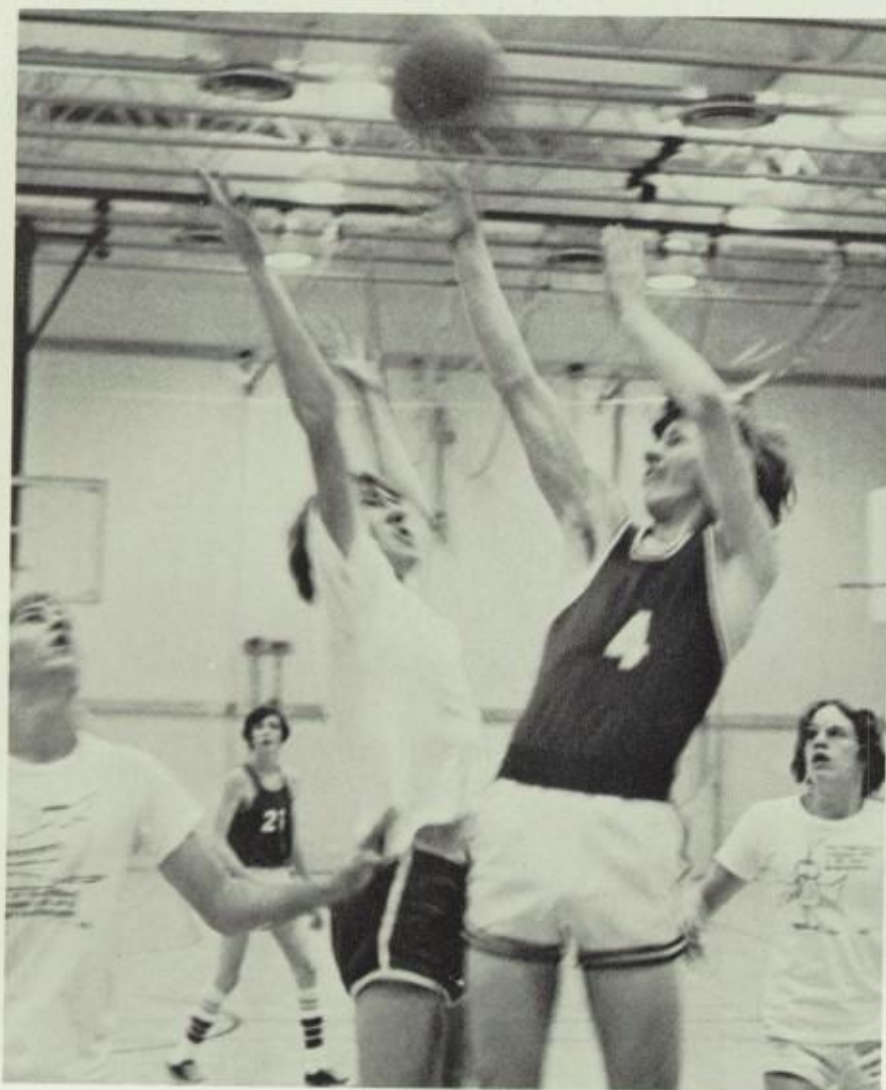

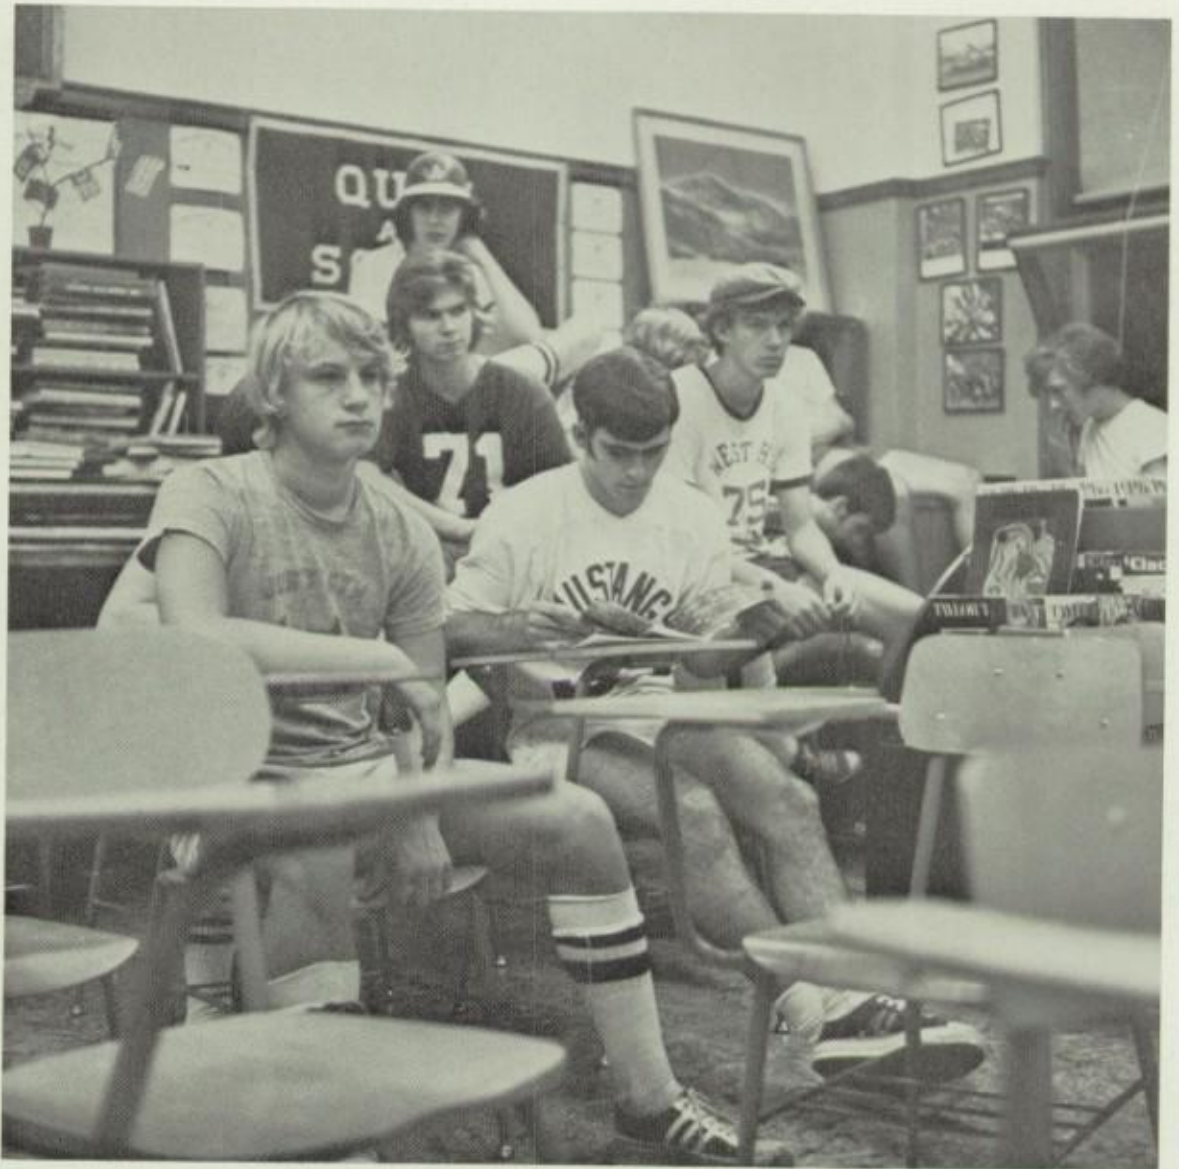

Hi-Y members also participated in Youth and Government in Columbus on April 4th, 5th, and 6th. This YMCA sponsored program gives high school students a chance to learn about the legislature and judicial parts of government.

Chances for a Thanksgiving turkey, a Christmas goose, and an Easter ham with the purchase of a Hi-Y pencil helped finance some of the club's activities.

Members also participated in "Miles for Mankind", a 16 mile YMCA sponsored walk to raise money for under-developed countries.

DECA, FTA vie for scholarships

"The purpose of DECA, the Distributive Education Club of America, is vocational and business leadership training and providing civil and social activities for its members," commented Mr. Charles Salie, faculty advisor. Activities included an employer-employee Christmas breakfast. Students who had jobs entertained their employer. The most outstanding members of the club participated in a district contest on February 5th. DECA members also joined the state contest in March. Two members received from the club scholarships to the college of their choice.

A \$50 teaching scholarship was given to the most outstanding student in the Future Teachers of America Club. Members visited and observed classes at Oyler school and put on a puppet show, "Cinderella", at Carson Elementary School. On May 4th FTA members attended a banquet at David's Buffet.

Health Careers Club visited nursing homes and helped people in homes by giving them little items they would like or need. The club also toured hospitals and health clinics. Members learned information on their occupational careers from speakers from colleges or hospitals.

IRC, Art Club, JCWA advance

"The purpose of the Council of Presidents is so I can get a feedback from the student body. It provides an open line of communication and gives students an opportunity to talk to me and express how they feel about different ideas," commented Mr. Marvin Renshaw.

The president of each school club and administration representative met monthly and discussed school issues. Discussions included integration, absenteeism, the West High-Elder parade, and what constitutes good or bad teaching.

A collection of money and clothing for Indian reservations was one activity the Indian Rights Committee participated in. The committee made a petition to Congress for a nationwide Indian Week. Members also had a publicity campaign to show Indian needs.

The Junior Council on World Affairs sponsored a boy in India for one and a half years through the Christian Children's Fund. Members attended the International Conference on world affairs in March where experts from all over the world spoke on economy and security.

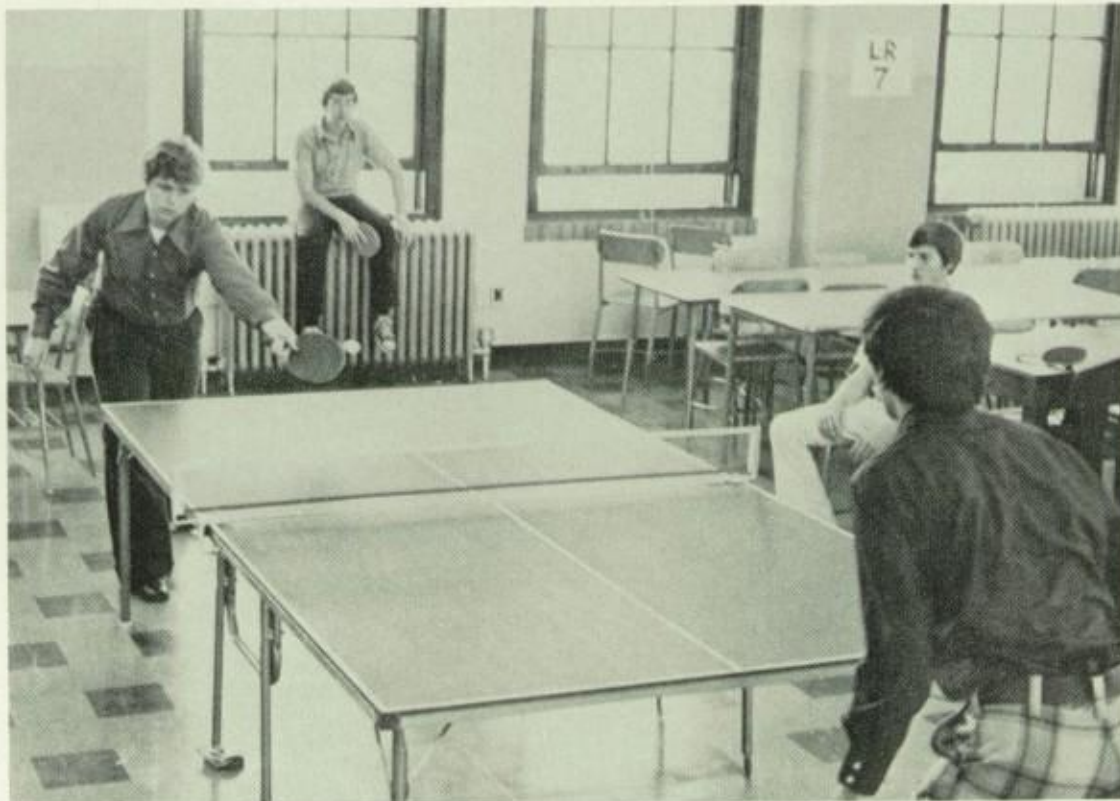

"The purpose of art club was the advancement of art in high school, for those who wanted to learn, through teaching and instruction," stated Art Club President Mark Reidel. The club painted murals throughout the school and signs for the West High-Elder parade held on Thanksgiving. Art Club had many bake sales to help raise money.

Bicycle, Bowling, Chess clubs offer variety

Bicycle Club had many activities. The club participated in a three hour Marathon race in which they competed against other high school students from Ohio, Indiana, and Kentucky. Members had an overnight camp out at Governor Bibbs County Park. Bicycle club also took part in a 50 mile bicycle race at Tri-County Speedway. The club frequently had 25 and 50 mile hikes.

Bowling Club was a new club started this year to help students develop better bowling skills. The club, made up of eight teams with four men on each, bowled every Monday at Western Bowl. The league belonged to the Youth Bowling Association.

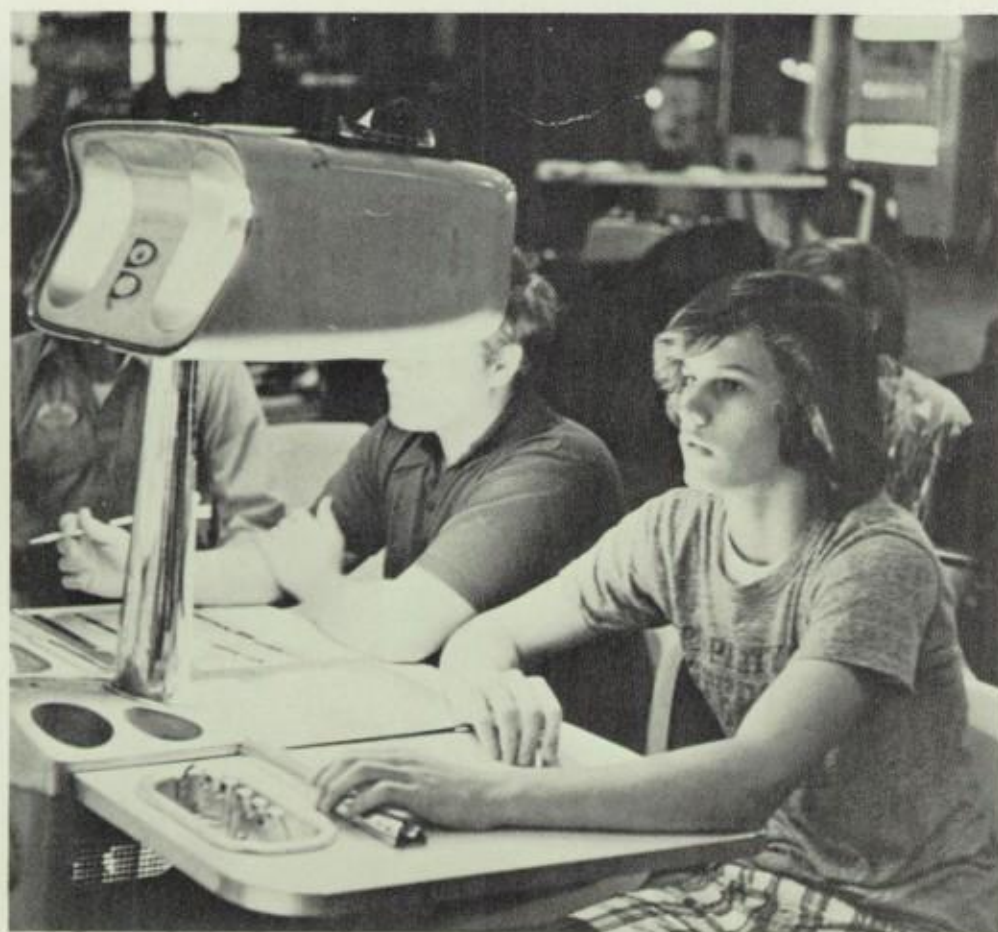

Table Tennis's goal was to get students interested in table tennis. Tournaments were played from 3:30 to 5:00. The team played tournaments against New Morning, Wyoming, St. Xavier, Withrow, Country Day, and the University of Cincinnati. The club joined the United States Table Tennis Association which permitted the team to play in any closed or no star tournament in the U.S. and to hold state-wide tournaments. The club could also enter a team in the U.S. opens.

"Chess club has become pretty good this year. It's run almost completely by its members and it really helps teach responsibility," stated president Dave Cook. The team had intra-club tournaments and participated in competition with other schools.

Students turn 'tide of pride'

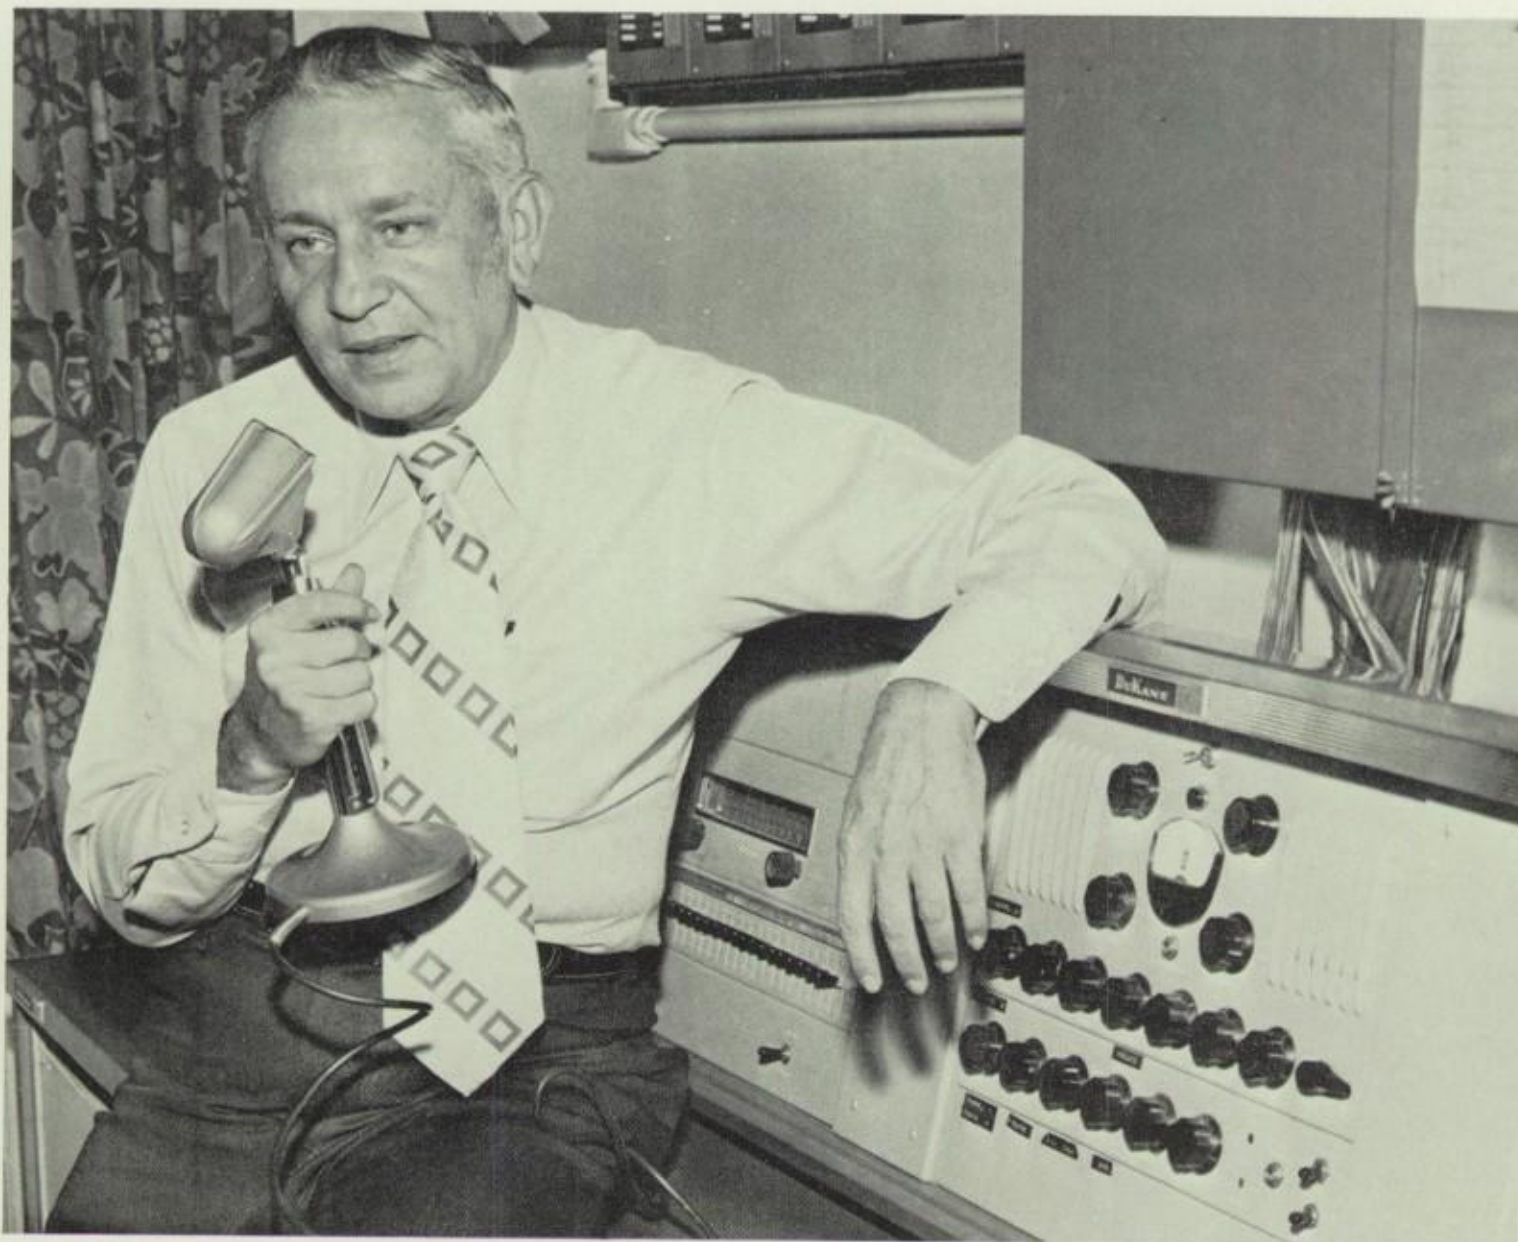

Principal Marvin R. Renshaw said he felt students were beginning to have more pride in their school.

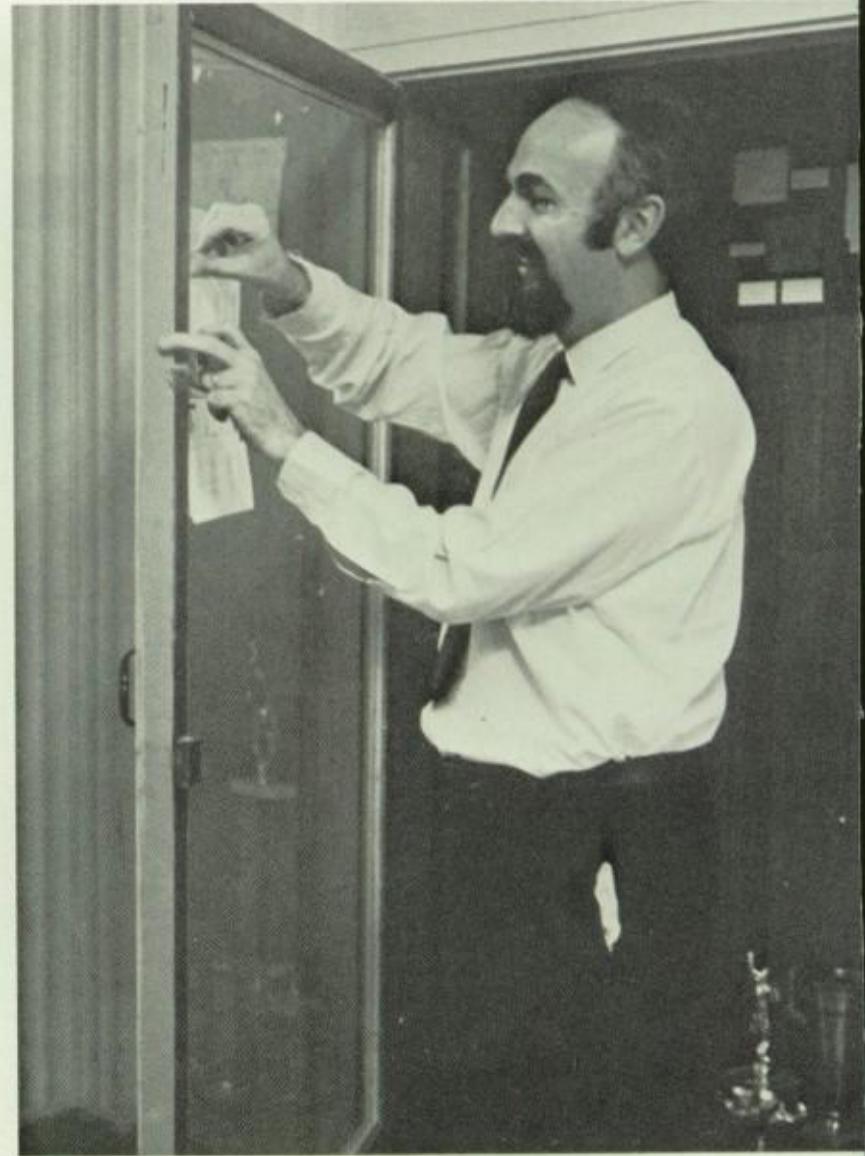

"We've begun to turn the tide of pride at West High," stated Renshaw. Students and faculty showed their school spirit and pride by supporting sports and many extra-curricular activities. After three years at Western Hills, Renshaw feels that the "almost complete revision in curriculum" has been "over-looked." When asked if this was a major improvement, Renshaw replied, "I think it is."

"Often over-looked is the almost complete revision in the curriculum, in such a short time," concluded Renshaw.

Administrators added to staff

New to the principal's staff this year are James Bruckman and Francis Dowdell. Also new this year is Brown L. Ward.

Bruckman is in charge of tenth grade discipline and attendance, evaluation of teachers, scheduling and approving activities, and substitute teachers, replacing Mr. Sanders.

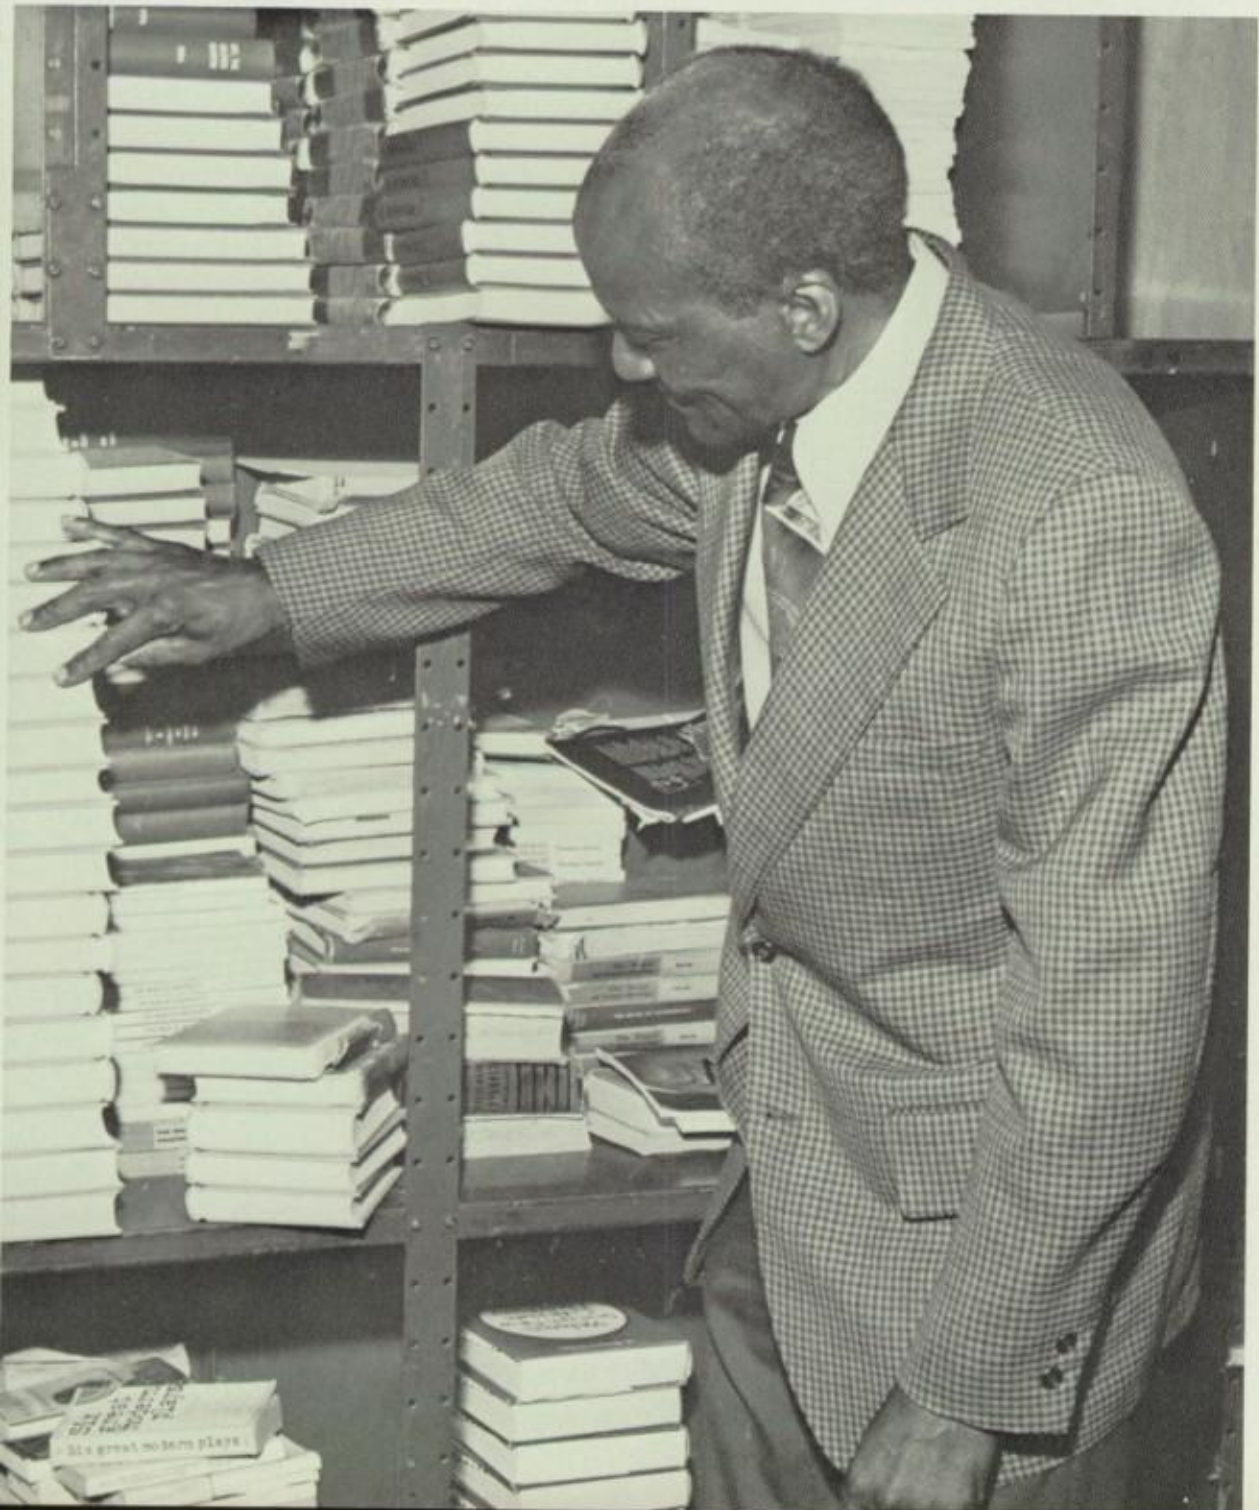

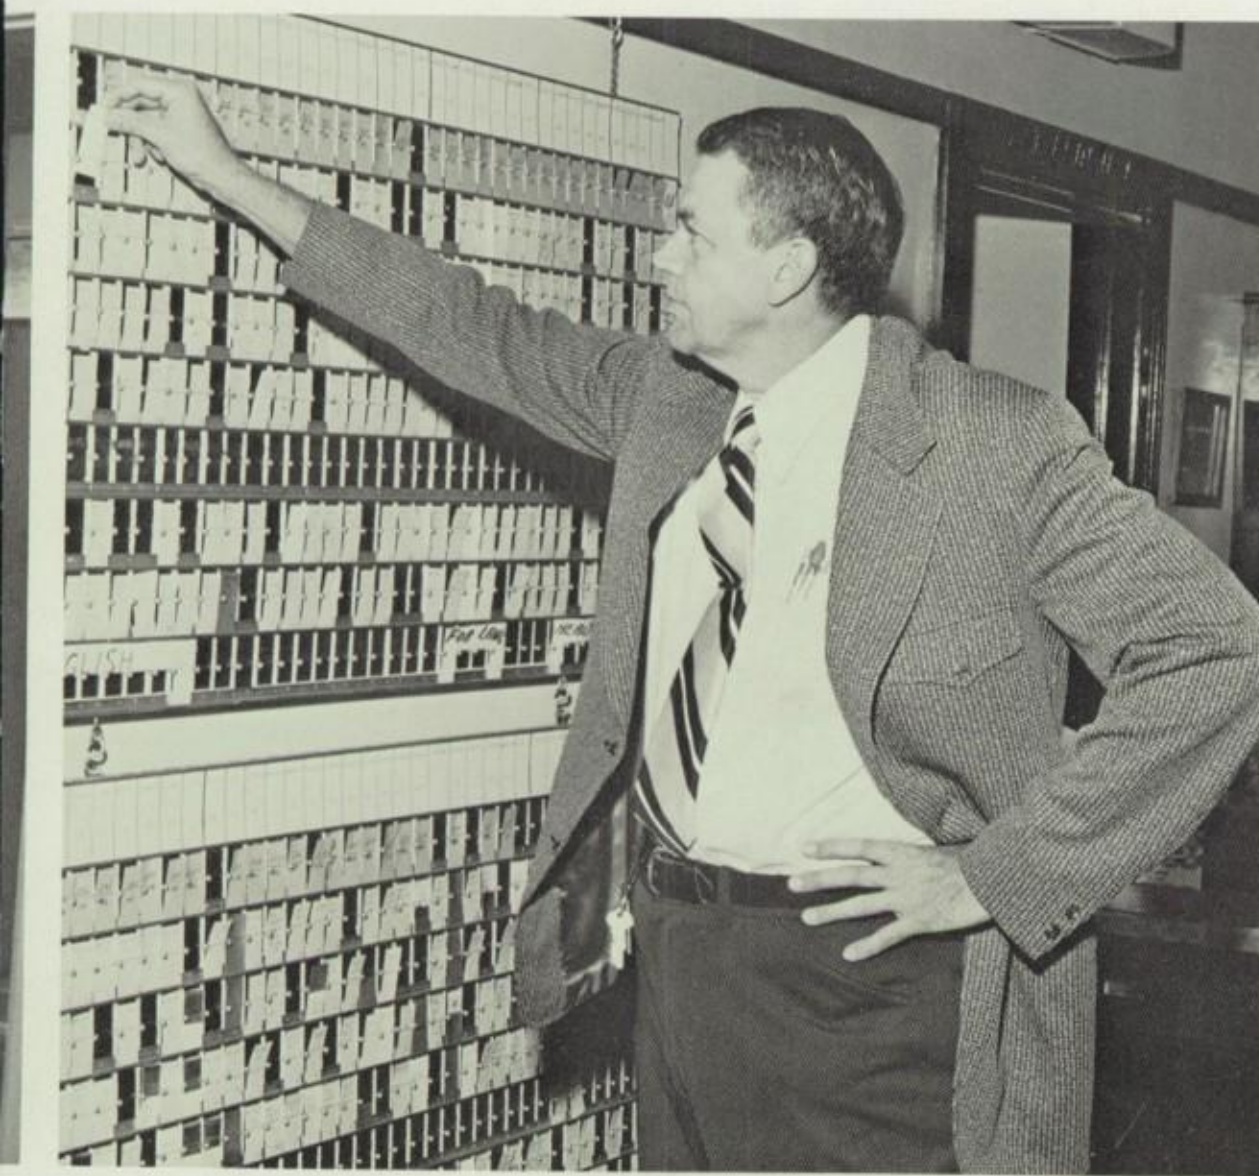

Francis Dowdell, replacing Mr. Armstrong, is in charge of eleventh grade discipline and attendance, and the Bookroom.

As per last year, Anderson Owens, senior assistant principal, is in charge of curriculum, twelfth grade discipline and attendance and lockers. Owens is also in charge of the vending machines.

Ralph Griesser continues his duties of checking studyhall attendance and disciplinary problems.

Also new to the staff at West High is Brown L. Ward. Mr. Ward is the assistant principal in charge of the new vocational wing.

Counselors ready pupils for future

Two major additions to the counseling department at West High were a mid-year re-optioning program for all students and the addition of a special counselor, Mr. Fred Simpson.

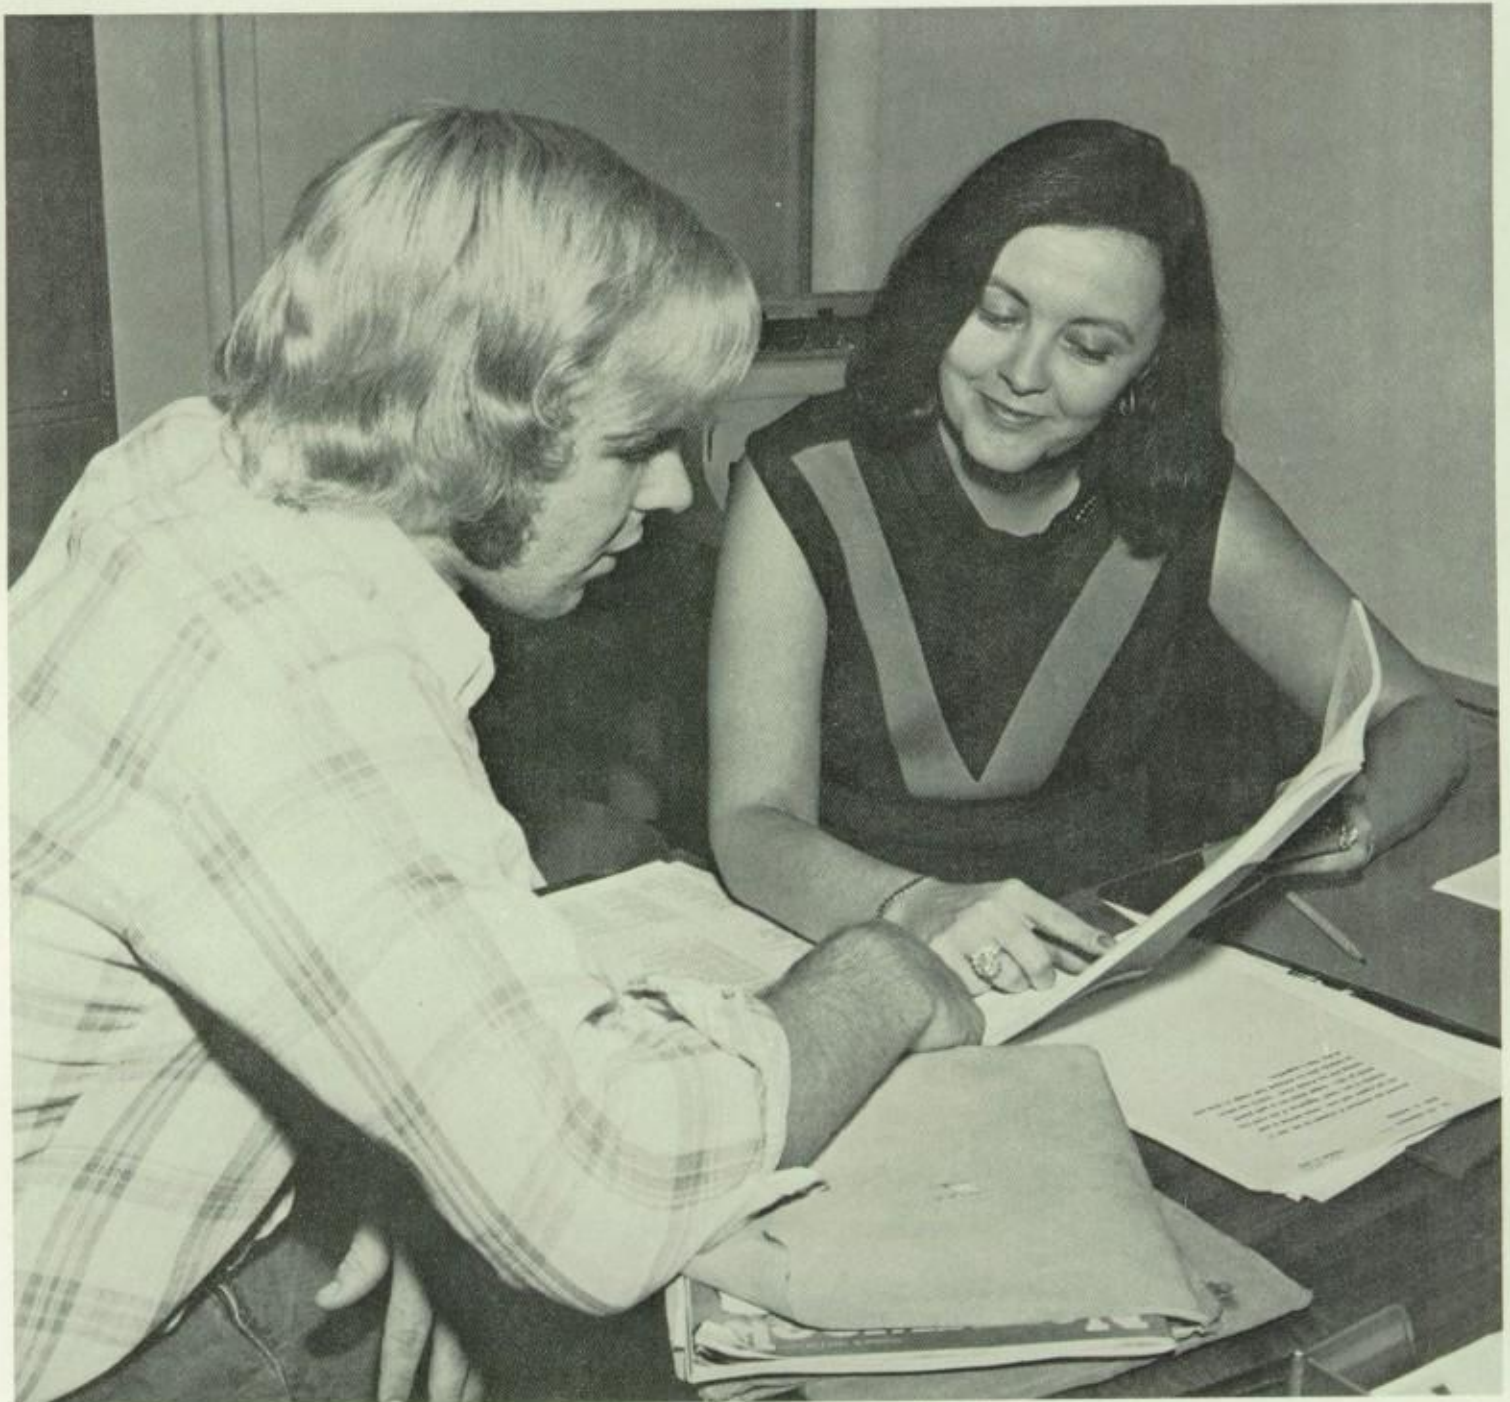

Department head Glen Borkosky, John Acree, William Conger, Stephen Sexton, Judith Hobbs, Victoria Memmel and Fred Simpson dealt with student problems concerning college, future plans and new courses.

Work experience counselor John Kuechenmeister aided students in gaining work experience credits.

Counselors were aided by secretaries Virginia McGowan and Marilyn Hathorn.

WH students show leadership

Seventeen junior girls attended the five monthly meetings of the Girls' Week program. Beth Binhammer was chosen West High's delegate for mayor.

Boys' Week Representative Pete Chaldekas was elected one of nine city councilmen and President Pro Tempore by the other councilmen at City Hall last November.

Pete Chaldekas, Rick Gerhardt, John Hempe, and Tom Outcalt attended Boy's State at Ashland College in Ashland, Ohio, for five days last summer. Debbie DeVilliers and Candy Herman represented West High at Girl's State at Capital University in Columbus, Ohio, for a week last June. Both programs set up a miniature government on the city, county, and state levels.

Dave Thomas and Tom Zaferes attended Operation Youth last summer at Xavier University. Delegates from all over Ohio heard speakers from various fields including politics, business, industry, and medicine. Thomas was named to a city council seat in a mock political election and attended council meeting at City Hall.

The "It's Academic" team was chosen from a group of students answering questions in a mock team situation. The members include captain David Cook, Susan Flynt, and Phil Partridge. The alternate was Paul Schneider.

New members were initiated at the annual **Cum Laude** Reception May 20. They were chosen on the basis of academic credits and class rank.

English Department continues with elective quarter course system

The phase elective English program which began last year has been continued this year. "The students seem more adjusted and now realize that within the course of the year they will receive their first choice class," stated Lenore Weber, English Department Head.

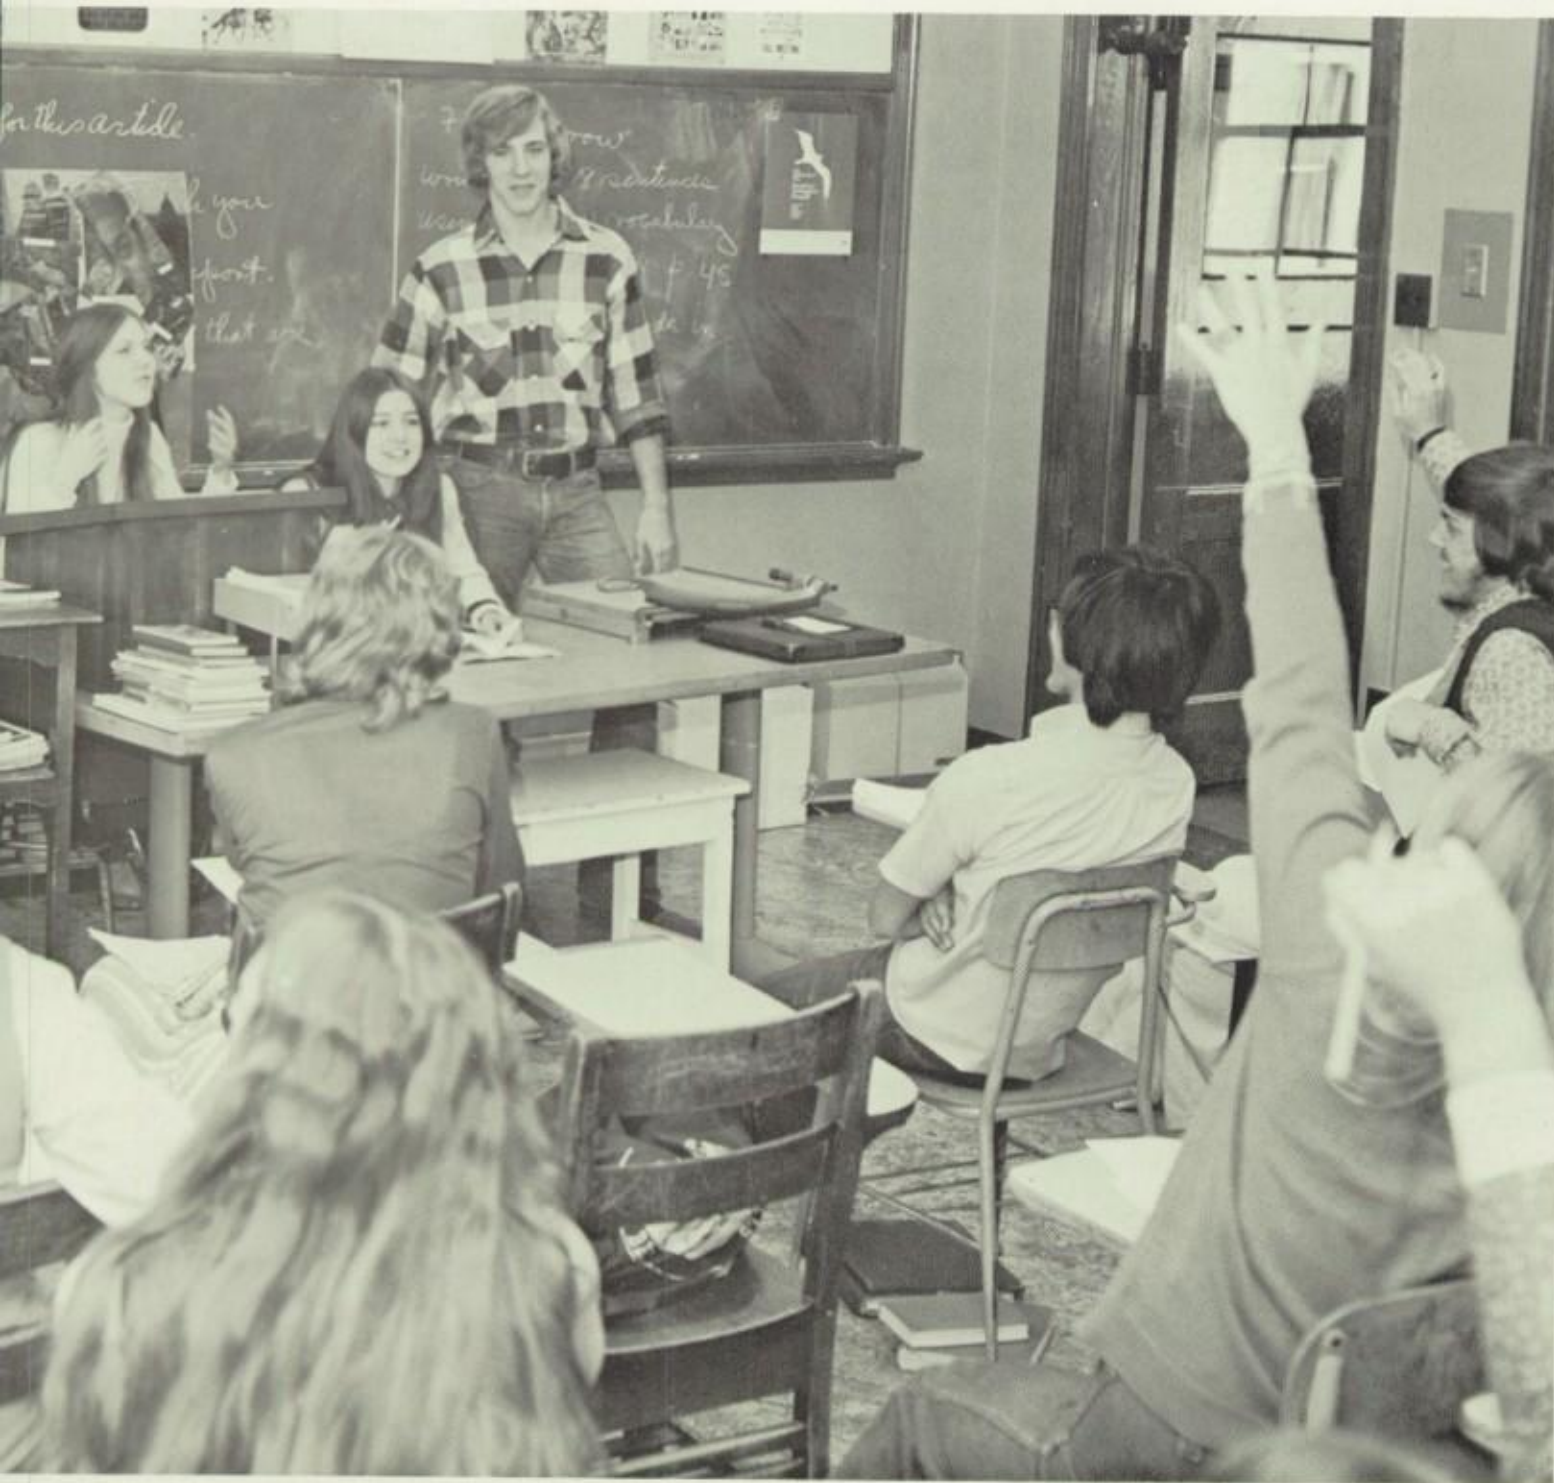

Sophomores enter a regular English class for the first two quarters. The only difference this year is that there will be only selected courses open to them for the last two quarters. "This would be less confusing and some teachers feel that it would be more profitable to keep the sophomores in class together," stated Weber.

Juniors and Seniors select an English course at the beginning of each quar-

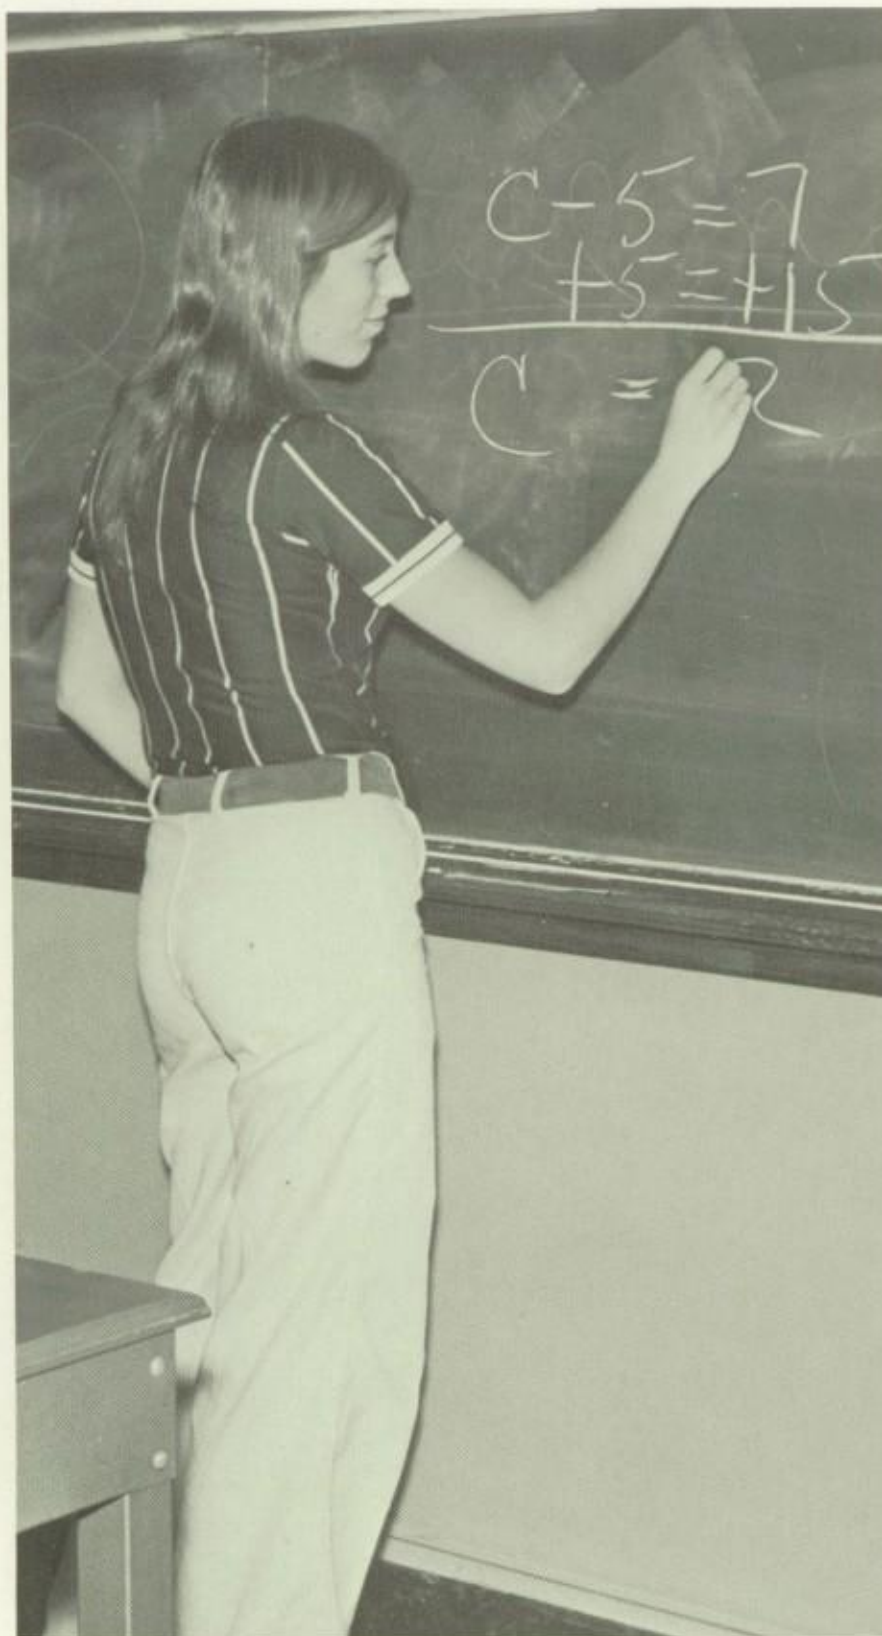

ter. Students were informed that all courses require composition. Many students are taking as many as five or six quarters of English a year rather than sitting in study hall.

Some of the new courses this year are Mountain People and Individualized Reading. Also offered is Reading Skills which lasts two quarters. Advance Placement English, lasting all four quarters, was optioned by the students. At the end of the year, students in AP English, were required to take the Advanced Placement Examination. Most students who scored a three or higher on the test, received college credit. In two other English courses, **Annual Journalism** and **Breeze Journalism**, students learned the art of newswriting.

Students offered new math course

"The Math Department tries to offer a new quarter course for each grade level. This way the student can continue to learn and develop his skills in math," stated Mrs. Theresa Penn, Math Department Head.

Probability and Statistics, Computer Math, and Money Management were math quarter courses offered.

Mathematics-A Human Endeavor was a new four quarter course. Students entering the course were required to have had Algebra. "It's a new course and I'm just making it up as I go along," explained math teacher Mr. Edward Oliger.

Algebra, Geometry, Trigonometry, Consumer Math, and Calculus were the regular four quarter courses offered. Calculus, taught at academic and advanced placement levels, and Consumer Math were classes open only to seniors.

Bottom Left: Karen Hughes explains a consumer guide to her Money Management class. **Top Left:** Diane Hooker works a problem on the board. **Bottom Right:** Computer Math students operate digital computers. **Top Right:** Mike Mason examines a cone in Advanced Trigonometry.

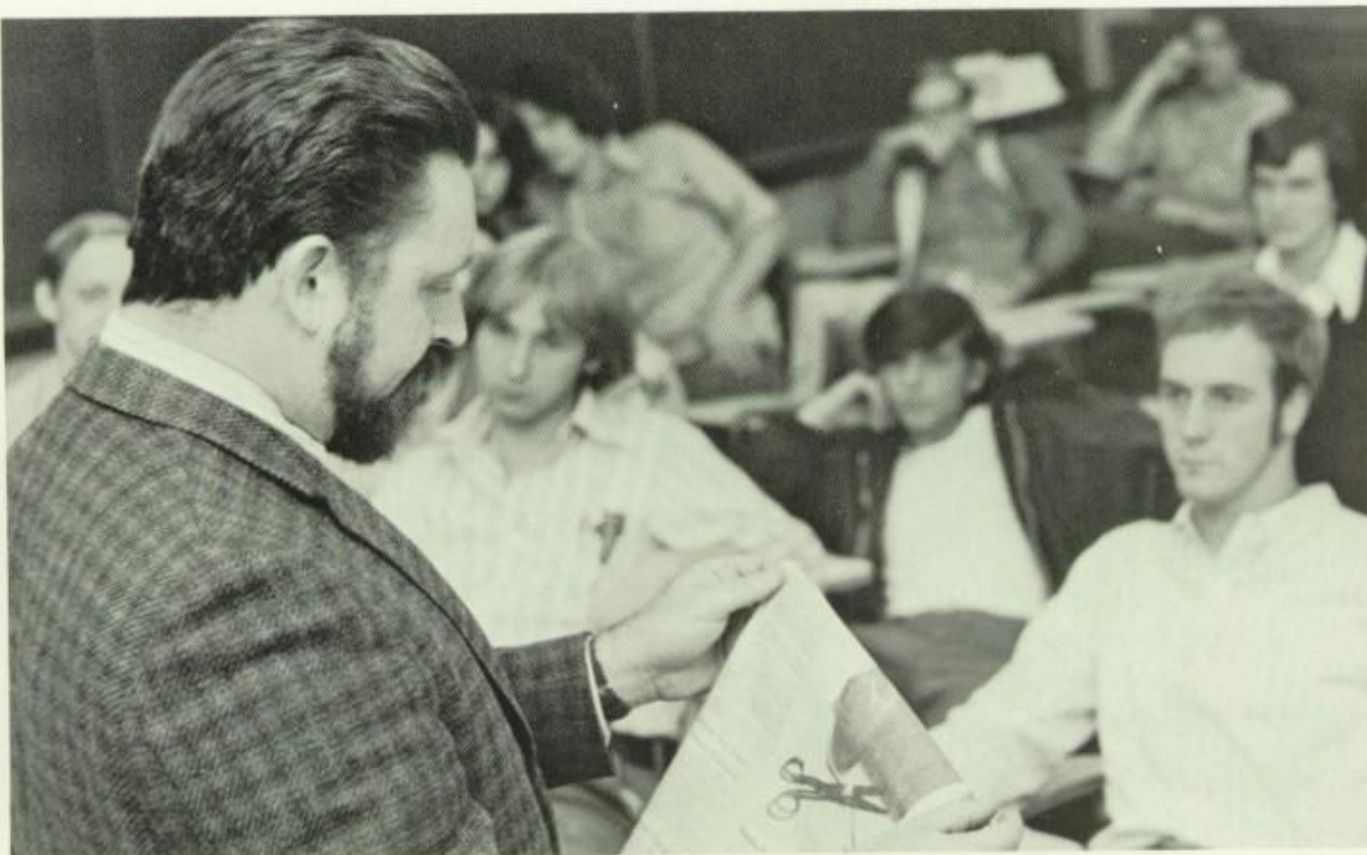

Students view urban problems

The Social Studies Department offered several new quarter courses this year. "I think it's a good idea," stated Mr. Harold Hopping, Social Studies Department Head. "More elective and fewer required courses give the students a greater choice of learning activities," added Hopping.

Culture courses included USSR, European, and African. Also offered were Sino-Soviet Totalitarianism, War in American History, Famous Americans, Philosophy, City Problems, Propaganda and Education, Alienation and Dissent, and Senior Tasks.

The Studies in Urban Problems, a new course taught third and fourth quarters, allowed students to study urban problems by sending them out into the city to meet community leaders and compare city problems. During the course, the students had to prepare a project about the conditions they observed.

Juniors were required to take an American History course, while World History and Modern History were open to sophomores. About 650 students attended the film **Executive Action**, which concerned the assassination of President John F. Kennedy.

Bottom Left: Mr. Smith discusses city problems from the morning paper. **Above:** Deby Iannelli points out a place on the map to her American History class. **Bottom Right:** Practical Psychology students display and discuss their masks.

Swahili and Japanese added

The Language Department included German, Spanish, Latin, and French, all taught at levels one through six years.

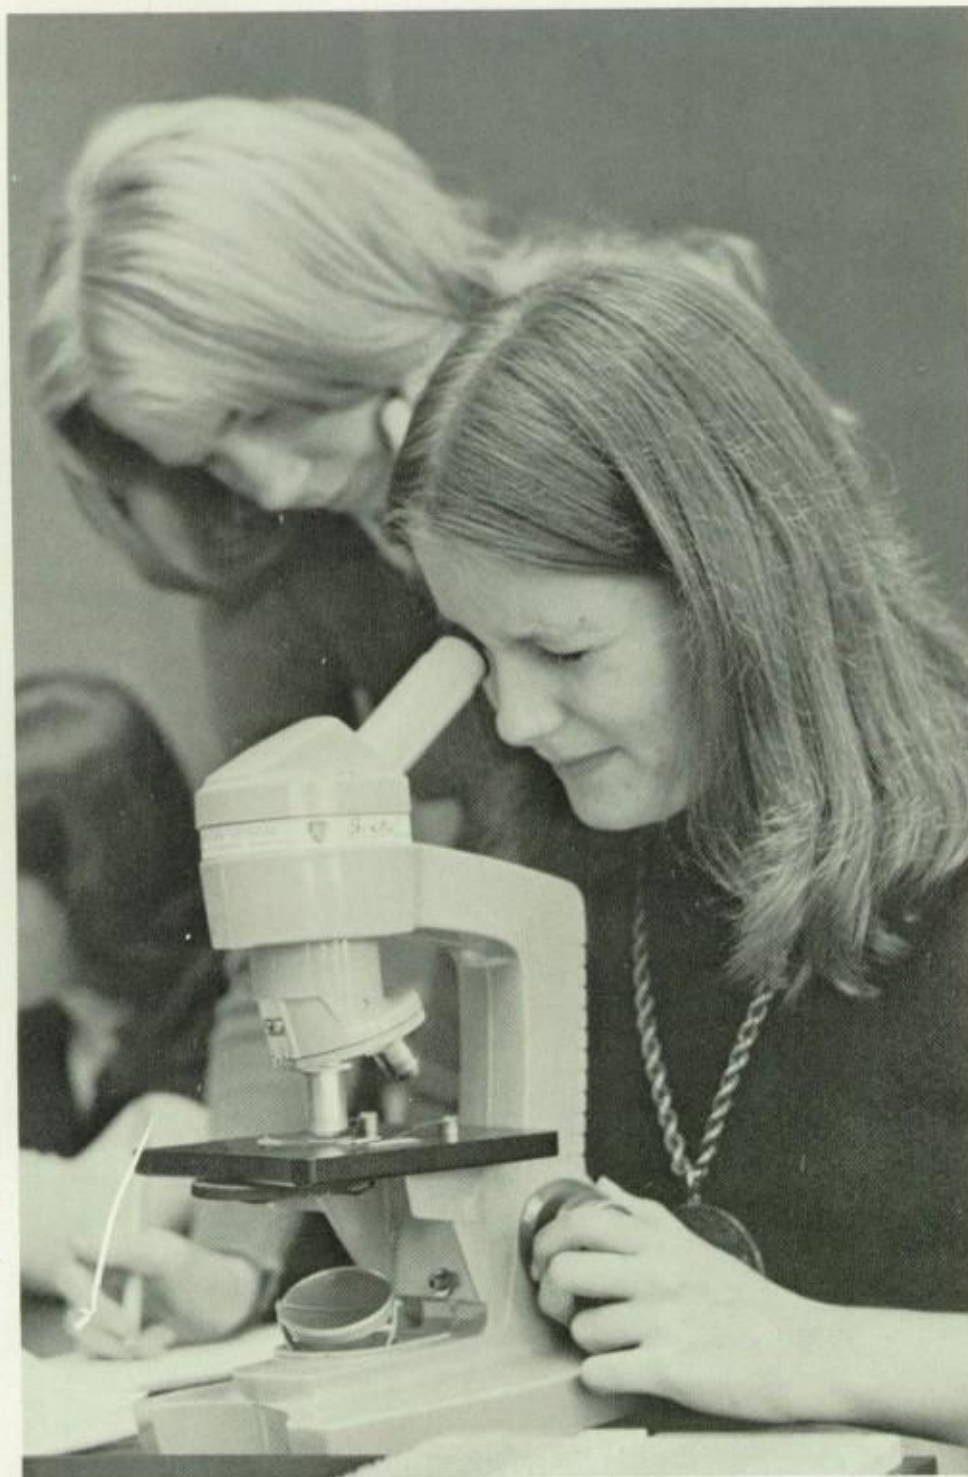

Latin IV, Latin V, and Latin VI students are all in one class. "Actually, I'm teaching two classes in one bell," stated Mrs. Jean Michaels, Latin teacher. The Latin IV students read **Cicero**, while the Latin V and Latin VI students read **Virgil**.

"We bring French foods into class to compare the different cultures," stated Miss Sandra Trifilio, French teacher. The French III class read short stories and planned to make a film in the spring.

Greek and Roman Mythology was continued this year as a quarter course. New quarter courses included Japanese and Swahili.

Science program 'best in city'

A new format for chemistry and physiology classes was introduced this year. Students could enter the classes on a quarterly basis. The main advantage of this program was "the student could drop the course and still get credit for the quarter which he completed," explained Mr. William Huth, Science Department Head.

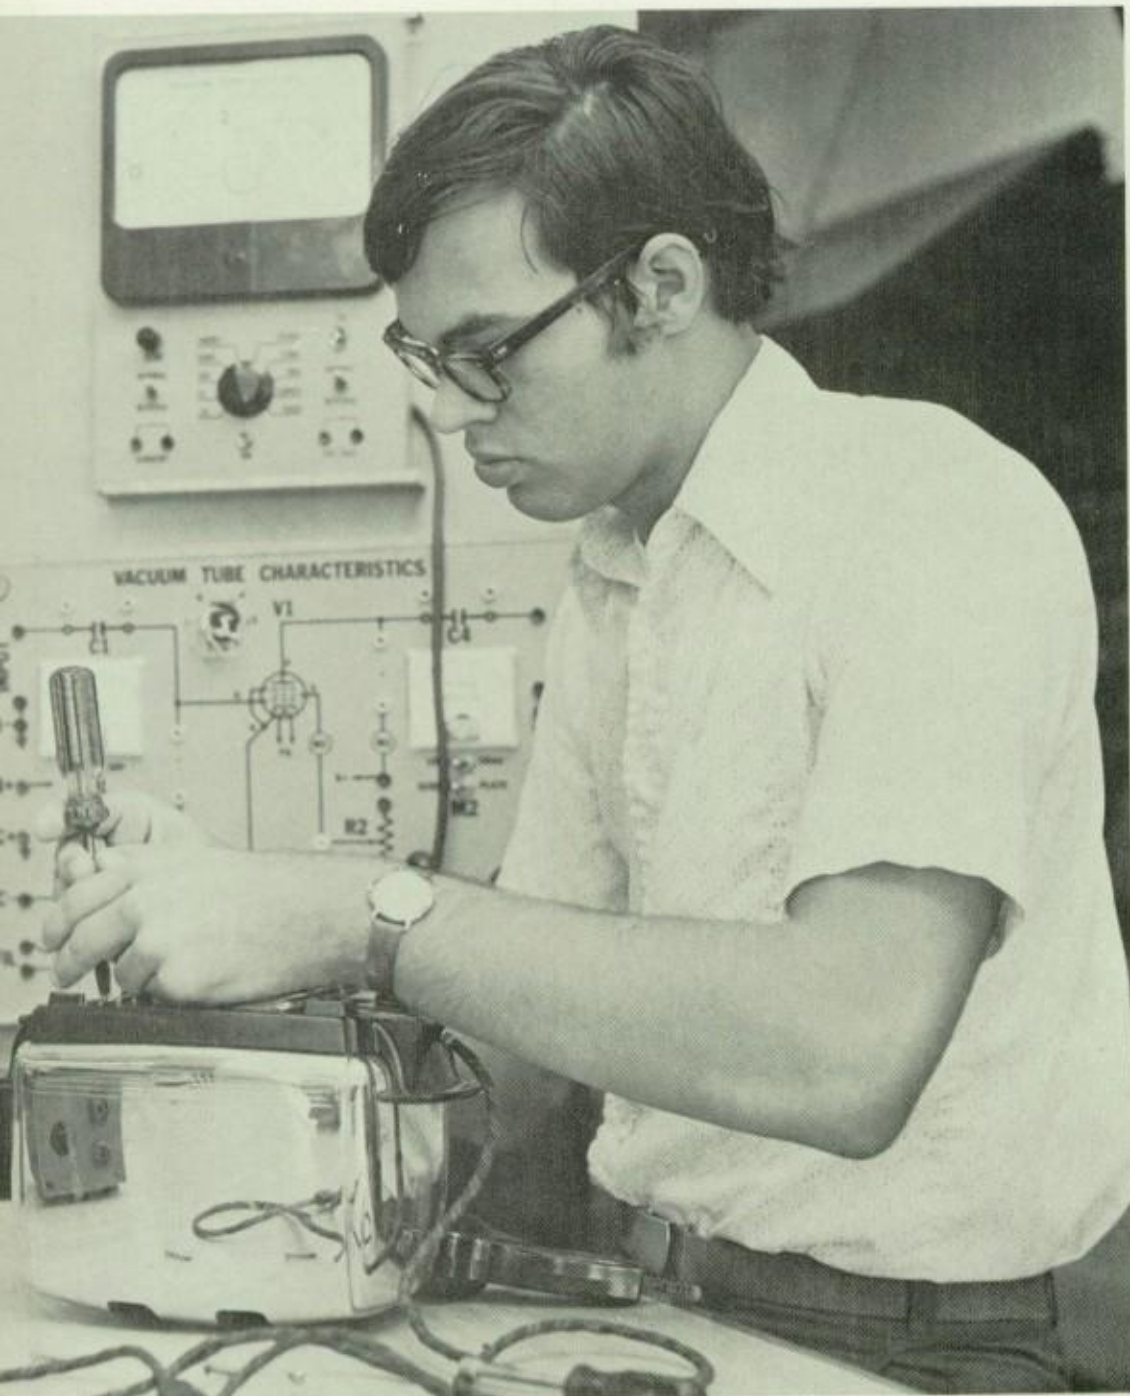

Introduction to Chemistry and Chemical Reactions was a two quarter course offered for Chemistry. Organic Chemistry, Chemical Systems, or Environmental and Geochemistry were elective courses offered. Physiology was taught on a quarterly basis. Environmental Studies was an independent quarter course. "At least students could get a touch of science," said Huth.

Biology, Zoology, Botany, Physical Science, and Physics were other courses offered. "With the wide variety of science courses we offer, our science program is one of the best in the city," concluded Huth.

Bottom Right: Environmental Studies students do individual work in the library. **Top Left:** Ann Cornett waits while Jennifer Alexander views a slide in Girls' Physiology class. **Bottom Left:** Kathy Sprague and Pete Strimple work on their Chemistry experiment. **Top Right:** Mr. Berringer helps John Hempe with a slide rule problem in physics.

Shops develop skills, crafts

"The Industrial Arts program is excellent. We have increased the use of visual aids and made attempts at team teaching," stated Mr. Larry Findlay, Industrial Arts Department Head.

Appliance Repair, Metal Fabrication, and Introductory Drafting were quarter courses offered. Appliance Repair dealt with practical repairing of small appliances, while Metal Fabrication was a study of the basic fundamentals of sheet metal layout. Introductory Drafting included the concepts of blueprints and drafting.

The Industrial Arts Department remained separate from the new vocational building. "Our classes became a prevocational program," explained Findlay.

Printing, Drafting, Metal Working, Electricity, and Wood Working were traditional four quarter courses offered.

Trades taught in business classes

"Business classes provided each student with the skill and knowledge to make a good living and thus become a solid citizen in his community," stated Miss Mildred Constant, Business Department Head.

Students from Data Processing, Office Practice, General Merchandising, and Steno-Secretarial classes moved to the vocational building in January. "The most modern office equipment will be used in teaching," stated Constant.

Personal Typing and The Law and You were quarter courses offered throughout the year. Insurance Principles, Exploratory Business, and Advertising and Media were quarter courses being offered third and fourth quarters.

Students prepare for family, fitness

Clothing and Food classes, formerly quarter courses, were introduced as full year subjects. "We're glad boys are becoming more interested in taking these classes," stated Miss Joanne McClure, Home Economics Department Head.

Sophomores were required to take Health I and seniors could elect Health II or Survey of Family Life, which is an in depth look at marital and social responsibilities.

"This year girls could select activities they really enjoyed," stated Mrs. Pauline Sallwasser, Girl's Athletic Director. Tennis, softball, hockey, gymnastics, archery, volleyball, swimming, bowling, badminton and table tennis were sports available.

Boy's Physical Education classes participated in both individual and team activities. The individual sports included swimming, gymnastics, golf, tennis, and badminton. The team sports offered were touch football, speedball, basketball, volleyball, and soccer.

Driver Education and Training was a two quarter course. Students spent ten weeks in the classroom and ten weeks in simulator training and behind the wheel training.

Talents extended in music, art

Art X and Art XX were quarter courses offered by the Art Department. These courses allowed students to work individually. Students could choose sculpturing, printing, ceramics, sketching, painting, jewelry, textile work, and enameling. Art IV students studied famous artists.

"I hope the Orchestra will be back to usual," stated Mr. Andrew Brady. "The junior highs are not sending us string players." Music Appreciation and Music Theory XX were quarter courses. Senior band and Senior Orchestra were regular courses offered. The Choral Department consisted of Senior Choir, Studio Choir, and Ensemble.

The Drama Department offered Speech X, Speech for Shy People, and Theatre Production as quarter courses and Public Speaking and Dramatics as regular courses. Speech X dealt with formal speaking while Speech for Shy People dealt with everyday situations. Theatre Production included the basic skills of the theater.

Employed pupils receive credit

The Work Experience program involved about 450 West High students. Work Experience Counselor John Kuechenmeister helps find employment for students and tries to visit involved employers once every quarter.

The employer rates the student's quality and quantity of work, dependability, attitude towards others, and punctuality. The student then receives a grade based upon this.

"I feel that kids working should get as much credit as kids in classrooms because working is just as hard and involves as much time," stated Kuechenmeister. A working student receives three credits per quarter in the program.

Students in the Occupational Work Experience program attend classes for the first half of the day and work in the afternoon. OWE tries to prepare the students for a technical job in the future.

The Educable Mentally Retarded Program is a work-study situation. Students attend classes for two weeks at a time and work the next two weeks. There are about 62 students involved in this program. The classes are job related. "Most academic work is vocationally oriented," stated Mr. Richard Tipton, EMR English teacher.

Seniors plan successful year

An outing at Mt. Airy's Stone Steps area, September 22, started off the year for the class of '74. Work started late in October on the Senior class float which took a 2nd place in the Thanksgiving Day Parade.

Shanty Creek Lodge, a ski resort in Michigan, was the site of the Senior Class trip. The trip was held January 25-27 and each senior who went paid a \$45 package plan fee which included a room for two nights, all meals, and skiing. "Hopefully the treasury will pay for the bus ride," said Brad Sallwasser, who found out about the lodge. A tassel sale and a bike and radio raffle were the main money-making projects for the year.

Bottom Left: The traditional formal graduation is held at the University of Cincinnati Fieldhouse. **Bottom Center:** After long hours of hard work, the Senior Class float is finally finished for the Homecoming parade. **Top Left:** Senior Class officers for 1974 are Dave Thomas, Treasurer, Kathy Houck, Secretary, Carolyn Waldeck, Vice President, Tom Zaferes, President. **Top Center:** Seniors gather at Stone Steps shelter, Mt. Airy Forest, for the annual Senior Class Outing. **Top Right:** Danny Boyle slams a line drive into centerfield at the senior outing softball game, as Pete Chaldekas and Tom Zaferes look on. **Bottom Right:** "I didn't think they would ever come in!" laughs Nancy Tedtman as Shelly Knotts distributes senior tassels to her home-room.

Sophomore Class Officers

Heading up the Sophomore Class was President Rich Robbins, with Peppi Hamler as Vice-President, Tami Carlton as Secretary, and Sheri Underwood as Committee Chairman. Robbins carried out many activities during the year.

The major activity was the building of the Sophomore Class float for the traditional West High-Elder football game. The Spirit of '76 float took first place in the judging. The announcements and trophies were given at half-time. Robbins was on hand to receive the trophy.

The class float was depicted as a tank on the field blowing smoke.

Sophomore Officers: Tami Carlton, Rick Robbins, Peppi Hamler, and Sherry Underwood.

Junior Class officers

Geoff Robbins headed the Junior Class this year along with his other officers — Mary Ann Jacobs as Vice-President, Nancy McCue as Treasurer, and Diane Fisher as Secretary. Robbins led the class in many activities.

The traditional Junior-Senior Prom was again sponsored by the Junior Class. This year, as in the past years, the Prom was held at the Music Hall Ballroom. The after-prom was held at Western Bowl.

Along with other class activities, the Junior Class spent time, effort, and money in this year's West High, Elder float contest.

The turn-out for this year's parade was the largest in the history of the Thanksgiving Day parade. The parade started at West High and ended at Elder. The parade was the beginning of what turned out to be the largest crowd to ever attend the West High-Elder football game. This year the game was held at Riverfront Stadium, with over 24,000 people attending.

Junior officers: Nancy McCue, Geoff Robbins, Dianne Fisher, Mary Ann Jacobs.

4 GUIDEPOSTS FOR HAPPIER LIVING

1. BE CONSIDERATE

Develop a sincere interest in people, their lives and their problems. Be understanding, and never build personal success at the expense of others.

2. HELP THOSE IN NEED

You will find few experiences so rewarding in life as the times you give a helping hand to folks in need.

3. CONTINUE TO LEARN

Stay mentally active, intellectually curious, receptive to new ideas. Education is a wondrous process continuing throughout life.

4. CULTIVATE THRIFT

Save regularly from the start. Thrift gives you an important extra margin for progress . . . for security . . . for success.

Acknowledgements

After many long months of work and with the assistance of innumerable people, the 1974 **Annual** is completed. Although it is impossible to thank everyone involved in the publishing of the book, we feel it necessary to acknowledge a few of them here:

Thanks to the Delmar Printing Company for their excellent job done in printing the **Annual** and a special thanks to Mr. Richard Cunnien for helping us design the cover and for sending us the Christmas fruit basket.

Thanks to the photographers at Osborne Photographic Laboratory for always having someone available when we needed them and to Pogue's Portrait Studio for making the senior section effective.

Thanks to Mr. Earl Herzog of the Audio Craft Recording Company for his fine work in producing the record accompanying the **Annual**. An additional thanks goes to Mrs. Mary Schneider and the Studio Choir for their time and effort used in recording the record.

Thanks to Mrs. Ingram, Mrs. Heil, Mrs. LeCompte, and Mrs. Seitz for letting us use their homes for our last minute worknights.

And finally, a special appreciative thanks to our advisor, Mr. John J. Michaels, whose complimentary words, "Well, it's good, but . . .," made our worknights seem really worthwhile.

Western Hills,
long may thy
pow'r be strong

Finis! And so the songs of '74 come to an end. Hopefully "listening to the music" has helped to instill your pride and dignity in Western Hills.

There never was and never will be a year quite like this one. However, throughout the years the song of West High will remain, "Fair Western Hills, dear Western Hills, I make this pledge to thee, with all my might to strive for light That truth may make men free."

1974 Annual Staff

EDITOR-IN-CHIEF

Valerie Ann Schmidt(who had to put up with Mr. Michaels' wild Amazonette call)

David Clinton Thomas(who never agreed with anybody about anything at any time)

PRODUCTION MANAGER

Mary Beth Seitz . . .(who insisted on using the mushroom locker picture until she finally got her way)

BUSINESS MANAGER

Nancy Hedrick . . .(who, between her trips to New York, Florida, and California, somehow managed to keep the books straight)

ACADEMIC EDITOR

Nancy Ingram(who is now an expert on Mountain People)

Mary Cox, Assistant(the staff's Betsy Ross)

FACULTY EDITOR

Becky Miller . . .(who, instead of doing her section correctly, spent her time telling stories about apple orchards in Washington)

Pete Chaldek, Assistant(who was always in 219 instead of 218 during 6th bell)

ORGANIZATIONS

Patty Heil(Nancy Hedrick's shadow)

Lou Ann Barker, Assistant . . .(who not only helped Patty with her section, but also Nancy, Mary, Carolyn, Kathy, Anita, Judy, . . .)

Rick Kuhn, Assistant(the staff's grease monkey)

BOYS' SPORTS

Dave Thomas(who "ran" right through the Sports section with no trouble at all)

Marc Dietz, Assistant (who gave up a trip to Washington to help complete the Sports section. Ha-ha-ha)

GIRLS' SPORTS

Valerie Schmidt(who is still looking for some candid pictures of cheerleaders)

Judy Crane, Assistant(YOOOOOOO-DEEEEEEE!!!)

SENIOR

Carolyn Waldeck(who forgot to stamp 700 senior pictures)

Anita Eggers, Assistant(the staff knew Norm better than Anita)

Kathy Houck, Assistant(who could be found wherever Pat could be found)

UNDERCLASS

Leigh Anne LeCompte(who did her section and then "melted into the mist")

Dale Cain, Assistant(who did nothing but raise a lot of cain)

Alan Tarplee, Assistant(who weighs 4 times more than a spastic bowling ball)

AD EDITOR

Frank Holub(our foreign exchange student)

INDEX EDITOR

Mary Beth Seitz(who has so many nicknames, she'll answer to almost anything)

Keith Catching, Assistant(the **Annual** staff's bearded wonder—we think)

PHOTOGRAPHERS

Keith Catching(who finally "caught on" to the art of photography)

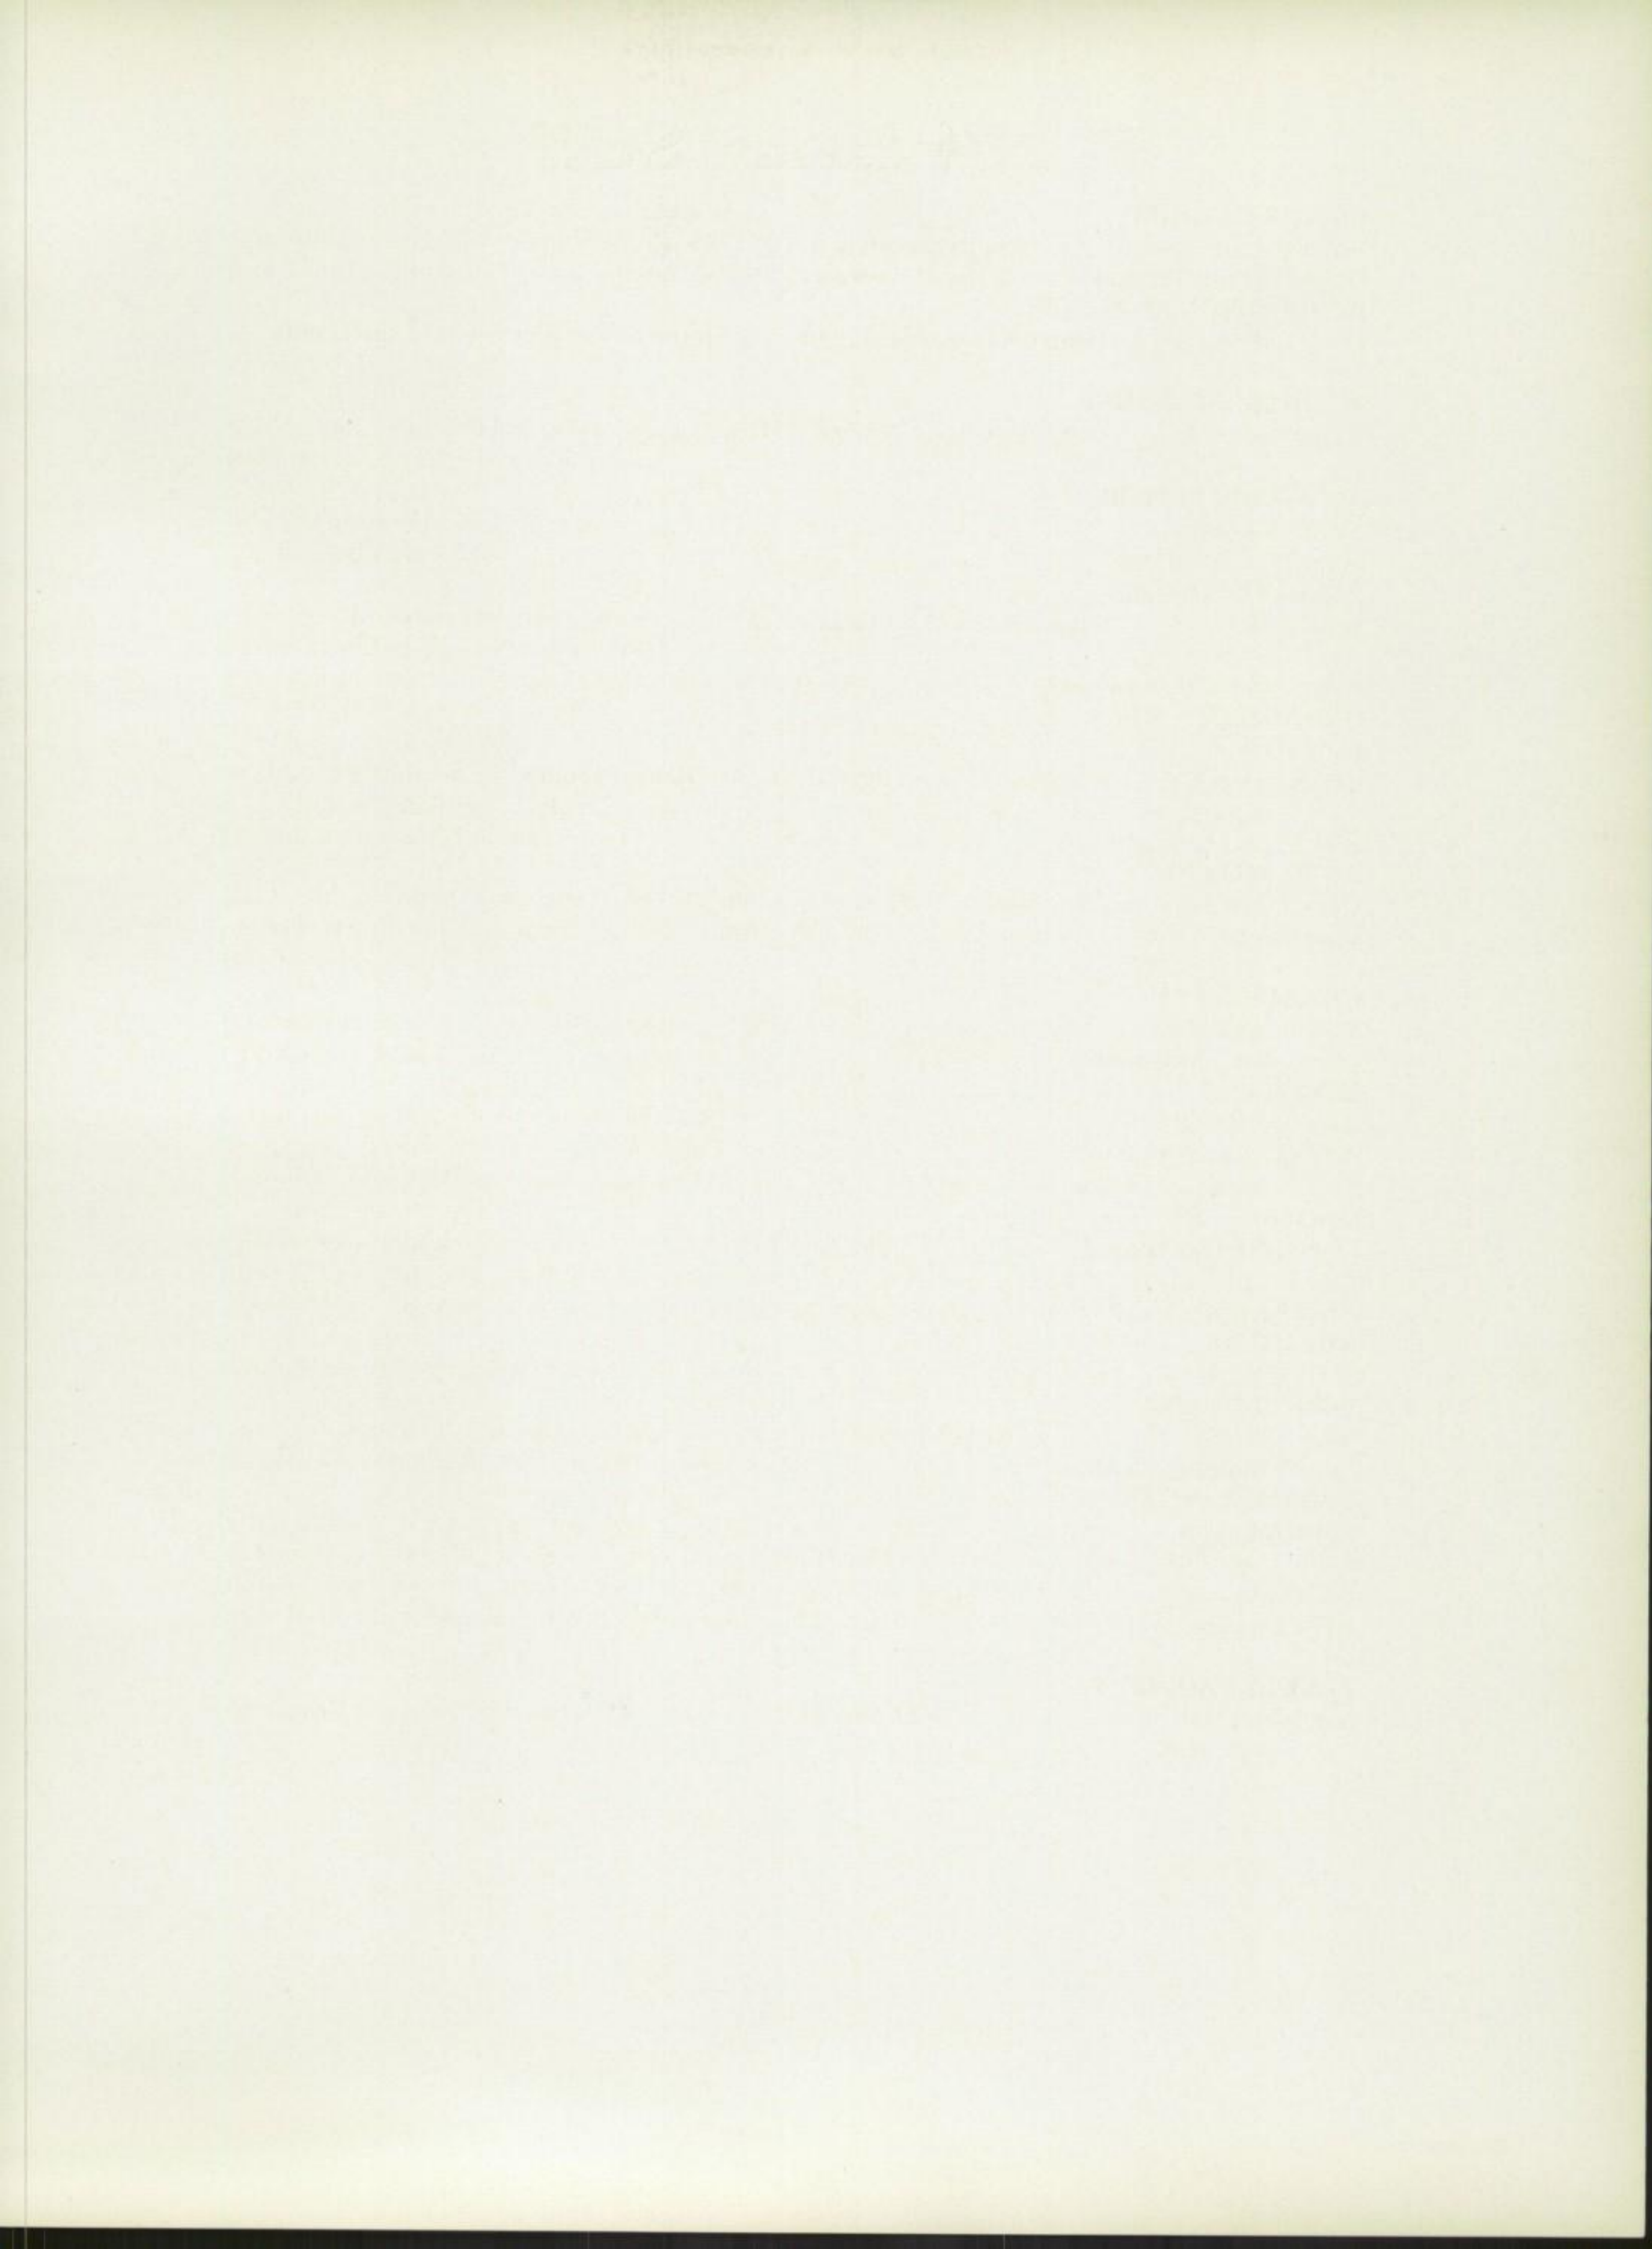

Kathy Houck(who was found painting posters instead of taking pictures)

Rick Kuhn(who may be on next year's staff if he remembers to come 6th bell)

Alan Tarplee . . .(who, after being crunched by a football player on the sideline, yelled "I got the picture!")

FACULTY ADVISOR

Mr. John J. Michaels(who dances down the cookie aisle when he goes Krogering)

To the girl
I love,
Bob

Janice,
to one of the
nicer people to come
out of the swamp (Saylor
Park)! Good luck this summer!!
You might have need for it!
Dan 26

Janice (one of the nicer
people I know) Enjoy Bob this
summer. I'll see next year &
maybe over vacation. Have fun always
Good luck
Carmelle "76"

Janice,
Well, this is the eighth year
I've known you and we finally
quit fighting. Ha Ha. Stay as nice
as you've always been. I hope we're
friends for the next 8 years too.
Thanks for being so great. Good
Luck for ever and ever!!!
LYLAS, (after all, I've practically
known you all my life!)

KIM "76"

Janice,
I've just got to know you
this year. I never did like
Dater but with people like
you to set examples of the
people from Dater, Dater
can be easier to like.
You're a great person &
really nice. Stay the
way you are. Good luck.
See ya next year.

Kevin

To Swamp Rat,
You are a very
nice person....
Considering you
deserved every-
thing that Dan
has said about
you. Have a nice
summer in the
sewer. See you
next year
George H.
